

Position Opening:

The Wyoming County Conservation District is seeking qualified applicants for the position of Ag Conservation Programs Coordinator

Position Description: The successful candidate will coordinate and apply the necessary resources, programs, and funding sources available to implement the District's Bay Tributary Strategy through the Chesapeake Bay Program, Pennsylvania's Nutrient Management Program (Act 38), and administer the Agricultural Land Preservation Program. This position requires a highly motivated, self-starting individual who can establish effective working relationships with land owners and others to improve water quality, preserve prime farmland and enhance the public's understanding of their relationship to the environment.

Minimum Required Knowledge, Skills & Abilities:

- Bachelor's Degree in Agronomy, Environmental Resource Management or equivalent combination of training and experience that provides the equivalent knowledge, skills and abilities as determined by the Board of Directors.
- Knowledge of GIS and Production Agriculture preferred.
- Ability to work outdoors and traverse rough terrain
- Valid Driver's License

This position is 40 hrs/ week @ \$13.65/hr. with generous benefits package.

Information is available at the Wyoming County Conservation District, 21 Hollowcrest Rd, Tunkhannock, PA 18657 or call (570) 836-2589. Please submit cover letter, resume and application to the Wyoming County Conservation District Manager by January 10, 2018, 4:00 PM. E.O.E
