

2017 SUMMER FRUIT & VEGGIE BOX PROGRAM

Garner's Produce LLC is a family owned and operated Virginia Century Farm and has been selling fresh fruits and vegetables at our roadside stand, farmers markets, restaurants, and grocery stores for many years. After a few years of offering a Winter Veggie Box Program in and around the Northern Neck, our program participants continue to express interest in a similar program during the summer. Now, after consulting with our excited team of employees who are eager to put together a fresh and healthy share of local goodness each week, we offer you a membership in our Summer Veggie Box Program!

How it works:

Your membership will allow you to enjoy healthy and homegrown fruits and vegetables in the summer while supporting a local farm(s). Our program cost is **\$250** and will consist of a nice variety of products each week for 10 consecutive weeks beginning the week after the 4th of July and will include fruits, vegetables, herbs, and/or dry goods. A short newsletter along with our favorite recipe ideas will also be included in your box!
