DAVID SHUTTLEWORTH

MANAGING DIRECTOR

QUANTUM EXPERT

David Shuttleworth is both a Chartered Quantity Surveyor and Chartered Builder who runs his own consultancy practice based in Singapore. He specializes in the provision of contractual and commercial advice and claims management and dispute resolution to the construction, oil and gas and associated industries. David has over 40 years' experience in quantity surveying, commercial management, contract administration, claims management and dispute resolution. 26 years have been spent resident in Asia. He is a qualified mediator and adjudicator and a panel member of the AIAC in Malaysia.

Mr. Shuttleworth has held several expert witness appointments in litigation and arbitration in Malaysia, Thailand and Singapore on quantum and delay issues. He has also given witness evidence in the UK Courts.

Mr. Shuttleworth is frequently called upon to advise clients on contractual and commercial matters during the course of projects where claims management is required and/or potential disputes have arisen on such issues as delay and extension of time, loss and expense, variations and defects.

Mr. Shuttleworth is experienced in disputes in the following sectors of construction:-

- Building
- Civil Engineering
- MEP Works
- A&A Works
- Renovation Works
- Defects & Rectification
- Infrastructure
- Transportation
- Ship conversion, FPSO
