

ADI

ocelot

Ocelot – sleek, thin and cat like – true breathable mesh back with ample lumbar support and the ADI suspension seating system means you can replace the fabric when needed and sit in comfort all day. The ideal chair for those applications where price and function, along with the ability to stack 20 high, meets the need.

Available in chrome and 6 frame colors, arm and armless, tablet arm, casters, ADI has the options to fit this chair into any work environment.

Ocelot is Greenguard certified - ADI is **ISO9001** and **ISO 14001** compliant.
