

2020 – 2021 Registration

ACLD will be offering an afterschool intervention program that will begin **Monday, September 14th, 2020**. Sessions typically last **one hour** and one to three sessions per week can be scheduled between the hours of **3:00 pm to 6:00 pm, Monday through Thursday**.

The sessions are designed to improve skills in reading, math, written expression, visual perception, gross and fine motor development and auditory perception. While each child's program is carefully designed to meet his/her individual needs, there are often two children assigned per teacher.

Prompt registration will be necessary to insure the availability of a time slot that is best suited for the child. New parents are encouraged to make an appointment for an orientation and tour of the facility. At no additional charge, diagnostic assessments will be administered in order to identify the specific skills that need to be strengthened. These assessments will be repeated twice during the year to measure progress. A parent conference can be scheduled with the staff at the end of the program to review the child's progress. However, parents may contact the director at any time with questions or concerns.

If a more in depth psycho-educational evaluation is desired, parents can call to schedule this appointment with the director. The fee for that evaluation is \$400.00. This evaluation is not required to enroll in the intervention program.

The ACLD Learning Center is a non-profit organization that strives to offer manageable fees. The cost is **\$35.00 per session** and payments may be made by cash, check, or credit card, preferably on the day of each scheduled session. A \$25.00 registration fee is required. Because our staff needs to be compensated for all of the hours they are scheduled, all sessions, including absences need to be paid for, unless an ACLD staff member cancels the appointment. However, we understand that children may need to miss sessions for a variety of valid reasons, so one excused absence will be allowed per child, without charge.

Please complete the attached registration and developmental information forms and return them to ACLD as soon as possible. Be sure to state your preferred day(s) and times so that we can try to meet your scheduling needs. If you have any questions, please call the office at (330) 746-0604.

Sincerely,

Erica E. Brown-Fire

Director, ACLD Learning Center

- the actual cost is \$47.00 per session (grants subsidize the \$18.00 additional cost)
