

# Knights in Need

Brothers all,

July 27, 2020

Longtime Columbiette and Sister Jane Matuszak had asked the Knights to fix a wet spot in the floor of her woodworking shed and clear a downspout on her screen porch.

The Holy Cross Council 8509 handyman team completed another project today, big thanks to those who were able to help out. Miss Jane was thrilled! We fixed a door on her shed, cleared a downspout and repaired the shed flooring. She is a happy lady and so is her dog Bunki! Great fun had by all! Stay tuned we may need your help next time! If you know of an elderly or someone who could use some help please let us know, where there's a need, there's a Knight!
