

2019 INTENSIVE INFORMATION

ABOUT:

The Dance Effect Intensives are full of fun, learning, hard work and foster relationships all over the country in the dance industry. The Dance Effect hires some of the upmost professional instructors to teach at the Intensives. All of the TDE Instructors are here for the dancers because of their passion to share their knowledge of dance with your dancer. The Dance Effect feels dancers should take classes from multiple instructors to broaden their knowledge, love, passion for dance, as well as, building unforgettable relationships along their journey.

We begin our day with a Warm Up session and we end our day with a Showcase! The Showcase is free for anyone to attend to observe what your dancer learned all day! You can find a mock schedule on our website, www.thedanceeffect.org, under the Intensives tab. You can also see who will be instructing at the Intensive near you.

We do offer an Observer pass to anyone that would like to stay and watch all day. We do ask that our Observers please keep the side conversations to a minimum so the class doesn't get distracted. We also ask the Observers not to coach or direct students and please allow the Intensive Instructor to teach the class. Observer space may be limited.

Please be sure to bring your dance shoes, socks, and/or tights for all styles of dance. Juniors, Seniors and anyone staying all day will want to bring snacks and a lunch. Water will be provided. Don't Miss this opportunity and come join us in a city near you this fall. We would love to meet you and your dance family!
