

**OKLEVUEHA NATIVE AMERICAN CHURCH  
INDEPENDENT BRANCH OF CONSCIOUS MINDS  
MEMBERSHIP APPLICATION FORM**

A Conscious Minds ONAC Federal Recognized Tribal and / or Independent Branch Membership is here by granted and made available to honor over a hundred years of sacrifices indigenous people have endured to keep the 'spirit' of the American Native Culture alive on Tribal reservations and the courage that people have exhibited by joining ONAC in its stand to uphold the principles of the United States Constitution.

Conscious Minds assists members of all tribal reservations, and recommended persons by ONAC independent branches presidents, regardless of their racial make up, political affiliation, social and/or financial status in receiving their constitutional rights as the United States Constitution and its Bill of Rights so clearly outlines and was ratified, March 4, 1759.

Conscious Minds Independent Branch and 'Presently' Oklevueha Native American Church is the only Native American Church, spiritually blessed by the Rosebud Reservation Native American Church, Free Church, Federal Employer ID #841402813 and has a certificate of existence in the state of Utah, #1353164-0140 that is authorized to worship on/off tribal grounds and has met the 'Standard of Sincerity' and 'Vow of Poverty' standards in the state of Utah and Federal courts.

The way the laws of the land are interpreted 'presently', Federally Recognized Tribal Reservations are under the political and financial influence of the Bureau of Indian Affairs (BIA). The BIA is a dominate influence that is not obligated to honor the principles of the United States Constitution for Federally Recognized Tribal governments for Federally Recognized Indian Reservations are 'Sovereign Nations'. In addition, memberships allow us to assist United States judicial officials to honor their solemn oath to protect and exercise the principles of the United States Constitution while carrying out their duty in serving their fellow citizens.
