**\*\*Players in grades 1<sup>st</sup> – 6<sup>th</sup> must attend weigh in. 7/8<sup>th</sup> are not required to attend weigh in as there is not a weight limit for players on this team. However, organizations are required to bring your 7/8 book with your teams roster, report card, and birth certificate on file for eligibility verification. Organizations must bring EVERY teams books with rosters, report cards, and birth certificates to weigh ins. You will not be allowed to weigh in without that documentation. Binders with birth certificates and report cards need to be present and in order of roster with report card first followed by birth cert.\*\***

- Please be sure to arrive minimum of 30 minutes early to make sure everything is in order and ready to go at your scheduled times. It should go fairly quick if everyone comes prepared, on time, and quiet.
- Players should find their coach and get in line by team and alphabetically by last name according to your roster. Your coach will have a roster for you to follow.
- While in line there will be no horseplay. Players are to remain in order and quiet until after your weigh in. Remember to be respectful of all players and teams. Set an example.
- Absolutely no parents allowed in the weigh in area! Only 1 board member from an organization and 1 coach per team is allowed in the weigh in area. Please be courteous of the NJFL Board as they try very hard to stay organized and on time. Players will follow coaches until finished, they will then be returned to you and you are free to leave.
- Sample roster template will be emailed out and must be followed. Please use this roster only and have two copies ready at weigh ins as well as a flash drive to turn in. All rosters should be sent in by email as well to Operations Director, Ed Linge: [Edward\\_linge@hotmail.com](mailto:Edward_linge@hotmail.com) at least five days prior to official weigh ins for approval and/or changes. Binders with birth certificates and report cards need to be present and in order of roster with report card first followed by birth cert.
- For those players that are found to be over the weight limit for their grades, we will be placing a sticker on the back of your helmets that must remain in place throughout the season. Please do not attempt to remove after placement. If you are placed on the overweight list for your team and you do not have your required sticker on your helmet you will not be eligible to play. This is checked at the beginning of every game during pre-game day approval process.
