**A Note from Rick:** What a stretch of beautiful weather we've enjoyed for the last several weeks and the forecast is no different. Fall is definitely in the air. Although it has been very dry, which has affected our later planted crops especially, it's been ideal for the early harvest season. As we get further into the harvest season, I'd like to again wish everyone a safe and plentiful harvest. Markets at TLA this week were mixed. We had a very limited amount of hay to offer Tuesday, but the market was very strong. Dairy cattle prices were unchanged. The calf market wasn't quite as strong for both heifers and bulls. The feeder sale was very solid throughout, but prices weren't quite as strong as they were a month ago. Slaughter cattle were unchanged and have been for quite some time now. Slaughter cows bounced back nicely and regained last week's \$2-\$4 loss. Here at TLA, we are gearing up for a lineup of exciting sales in the month of October. We start with the Alternative Animal Auction on October 2-3. This was one sale that we were unable to have in the Spring due to the pandemic, so we are expecting a great sale with a big variety of animals to offer. We will have a booth with TLA gear and consignment forms at the MEC during the Classic Series Six Horse Hitch World Finals. We are proud to be a sponsor at the Finals and will be there all weekend. Come check out these amazing animals and hitches and stop by and see us! Hope to see you soon at TLA!
