REMINDERS:

Inclement Weather: OLSS follows the inclement weather decisions of Calvert County Public Schools, who

post school cancellations and delays on their website by 5:30am. We also send an email notification through School Messenger if we will have a delayed opening or cancellation.

<u>Cold Weather</u>: Please send you child to school with a coat, hat, & gloves, so that they will stay warm during outdoor recess.

<u>Health Policies</u>: With cold and flu season upon us, we would like to remind parents of our health policies. Following these important health rules will reduce the risk of spreading illness to others:

- While sick, a person is contagious at least 24 hours before becoming symptomatic, and at least 24 hours after recovering from the symptoms of a virus. Children who come to school while ill, and return to school too soon after being ill, put all of our children and staff at risk of catching illness.
- If your child has had a fever, vomiting, and/or diarrhea, keep them home during, and for at least 24 hours after their symptoms have subsided.
- Students must be fever-free without the use of medications for 24 hours before returning to school.
- Students may not bring any medication to school, including over-the-counter items such as throat lozenges. If medications must be administered during the school day, a Student Medication Authorization form must be completed by a physician, signed by a parent, and submitted to the School Office with the medication.
