

After Disaster... **RECOVERY**

4.00 CLE Credit Hours

Students, attorneys, and the public are invited to attend.

"We are extremely pleased to host this training to ensure that the thousands of Louisianians cleaning up after the historic flooding are provided the assistance they need at this critical time. The shared expertise and resources in this partnership will surely provide volunteers with the necessary training to address recovery." --Chancellor John K. Pierre

FREE Join us for **Disaster Recovery Training**
