The form may be downloaded from the league website (www.kentuckystatewrestling.com) under the middle school section..*

#### **Bylaw MS-2 Eligibility Challenge process**

In the event that a member school would like to challenge the eligibility of a wrestler from another team, a formal challenge must be submitted to the president of the KSWA in writing along with all necessary fees (\$30.00). The form titled "Eligibility Challenge Form" can be downloaded at the league website (www.kentuckystatewrestling.com) under the middle school section. Instructions on submitting the form will be included in the form. Upon receiving an eligibility challenge, the league president will contact the member representative responsible for the wrestler in question. The member representative will have 3 business days to provide required proof of eligibility to the league president. - 2) A student enrolled in 4<sup>th</sup> through 8<sup>th</sup> grade shall not be eligible for middle school wrestling for more than one season in each grade and is only eligible the first year in that grade. #### **Bylaw MS-7. Transfer Rule**

*Any wrestler that joins a team and wishes to switch teams once the season has started is not eligible for competing in KSWA sanctioned events for the remainder of the current season in which they transferred, unless their transfer satisfied one of the required criteria for a KSWA approved transfer. KSWA officers have discretion (but are not required) to waive the period of ineligibility set forth above if one of the following exceptions has been met and can be verified prior to the date of transfer:*

A) BONA FIDE CHANGE IN RESIDENCE - If there has been a bona fide change in residence by the parents and wrestler into a different school district. For purposes of this bylaw, a bona fide change of residence means the moving permanent residence of the entire family of the student and his/her parents from one school district into another school district or defined school attendance area.

B) DIVORCE - The KSWA will not recognize a legal separation as grounds for waiver of the provisions of this bylaw. The KSWA president may waive the provisions of this bylaw in the event of a dissolution of marriage (I.e. a final and legally binding divorce decree from a court of competent jurisdiction) of the parents and a change in residence of the student pursuant to a court order granting custody of the child to one of the parents with whom the student shall reside. In the event joint custody is awarded to both parents, for purposes of this bylaw, the student shall be deemed to reside at his or her previous residence if one parent's

retains this residence. If neither parent retains the former residence, the parents shall designate one of their new residences (mother or father) for the purpose of this bylaw, such designation to be reviewed and approved by the president of the KSWA.

C) GUARDIANSHIP/CHANGE OF CUSTODY - The KSWA shall not recognize guardianship or similar arrangements made, for purposes of this bylaw. The president shall have authority to waive the provisions of this bylaw where it is shown that custody of the student has been taken from one or both parents and given to a third person by a court of competent jurisdiction and under circumstances indicating: (1) the parent(s) is/are unfit or (2) the court finds that the health and welfare of the student would be better served by the change in custody.

D) DEATH - In the event the death of one or both of the student's custodial parents creates such circumstances that the transfer to another school district is deemed appropriate.

Satisfying of one of the exceptions (A through D) will not be considered valid and a waiver of the period of ineligibility shall not be granted -

- 1) If the change in schools is to nullify or circumvent the actions of representatives or rules of the previous school or if the student left the sending school under penalty which would have resulted in their ineligibility at the sending school;
- 2) If the satisfying of one of the exceptions occurs after the switch in teams.
- 3) If the change in schools is motivated in whole or part by a desire to participate in athletics at the new school;
- 4) If the satisfying of one of the exceptions is used or manipulated for the purpose of gaining athletic eligibility;
- 5) If the satisfying of one of the exceptions by the student and the parents(s) does not reasonably precipitate a transfer to the new team.

The president of the KSWA may, as he/she deems necessary, appoint or hire a committee or investigator to conduct any inquiry or investigation concerning any issues arising under this bylaw or any other bylaw.

If any member team files a written objection to the factual validity of the certification before the conclusion of the period of time to which the period of ineligibility would normally apply, along with the specific, detailed basis for such, then a complete investigation shall be conducted by the KSWA and a ruling shall be issued through the KSWA president.

KSWA officers will investigate any incidents requiring disciplinary actions, and notify the appropriate people in a timely manner. The KSWA has the right to refuse participation of any and all KSWA sponsored events in the event that the league officers determine it is appropriate.

### **Bylaw Y-9 Appeal process**

A member representative may file one appeal per KSWA ruling to the KSWA President by submitting a one page document explaining why they feel a disciplinary action should be overturned. The KSWA president will distribute this appeal to regional reps & member representatives through email – along with the KSWA officers' facts of the case - with a "reply no later than date". Once all votes are tallied, the member representative filing the appeal will be notified of the outcome. All voting results will be tracked and made available to the person filing the appeal. This decision will be final and no other appeals will be considered.
