NORA Certified BRONZE Course in Massachusetts!

This is a mid-level course designed for plumbers, HVAC technicians, oil drivers and others looking for more knowledge on residential oil-burners. Includes hands-on troubleshooting of the most basic to difficult oilburner service calls focusing on oilburners, pumps, ignition systems and combustion problems on all types of burners and how to diagnose and correct the problem. In depth training on Beckett, Carlin and Riello.

Attendees will earn **80 NORA CEUs** and a **NORA Bronze Certificate** upon successful completion. This program also prepares you to take the State Exam leading to a MA Certificate of Competency (MA License). State Exam is only given by MA DFS. Our students have the highest passing grades on State exams. We also have the best book and tool package of any school in the Northeast.
