Parent Name(s): _____

Please initial the following statements and/or policies of St. Gregory School.

_____ I understand that St. Gregory School is a tuition based school. By registering my child(ren) I acknowledge that I am ultimately responsible for the tuition and fees that are charged to my SMART account.

_____ All families are expected to make monthly tuition payments or pay in full by August 1st. All tuition and fees must be paid by May 30th.

_____ Scholarships are available through outside organizations (STOs). All awarded scholarship funds shall be applied to SMART tuition accounts and divided out to reduce monthly payments. CEA funding is used last, all other scholarships are applied first.

_____ Scholarship funding may only be used for tuition. It will not cover the cost of fees. (ESA and AAA are exceptions to this policy in some cases.) Parents are responsible to pay for all fees throughout the year.

_____ I understand that parents are responsible for completing any and all scholarship applications. Parents are responsible for knowing the deadlines for each and ensuring that all applications are complete. The scholarship organizations are separate from St. Gregory School and STOs make their own decisions and deadlines.

_____ All families are required to apply to Catholic Education Arizona (CEA) upon registration of your children at St. Gregory School. St. Gregory School will not have financial resources to help any emergency tuition situation throughout the school year unless your family is on the FAIR report for CEA.

The following 2 CEA agreements are optional. Read the statements below before checking and initialing. Leave blank if you are applying to CEA.

_____ My family **declines** the requirement to apply to CEA.

_____ I understand that by declining and not applying to CEA there will be **no possibility of emergency financial support from St. Gregory School throughout the school year**. I will be responsible for the entire charges on my SMART account.

_____ It is strongly suggested that families in need (qualifies for low-income) apply to at least 5 – 6 scholarships each year.

_____ If you requested a financial payment plan for the previous school year, you must apply to at least 5 scholarships and you are required to show email verification from scholarships that applications were complete.

_____ Any tuition accounts that are 60 days past due will be at risk for immediate withdrawal. In addition, all families must be current in payments by Dec. 15th. When a family is not current, students are not admitted for the first day of classes of the second semester until payment is made or an acceptable payment plan has been established with administration.

_____ Only one modification of your SMART account throughout the year will be considered. Monthly payments are expected on balances due.

1. The purpose of this document is to provide a comprehensive overview of the current state of the project and to identify the key areas for improvement.

2. The project has been successful in many respects, particularly in terms of meeting the deadline and staying within budget. However, there are several areas where the project fell short of expectations.

3. One of the main areas of concern is the quality of the work produced. There were several instances where the work was incomplete or contained errors, which caused delays and increased costs.

4. Another area of concern is the communication between the project team and the stakeholders. There were several instances where the stakeholders were not kept up-to-date on the progress of the project, which led to confusion and frustration.

5. Finally, the project team did not have enough resources to complete the project on time. This was due to a combination of factors, including a lack of staff and a high level of turnover.

6. In order to improve the project in the future, it is recommended that the project team should focus on the following areas: (a) improving the quality of the work produced, (b) improving communication with the stakeholders, and (c) ensuring that the project team has enough resources to complete the project on time.

7. The project team should also consider implementing a more robust risk management process to identify and mitigate potential risks early in the project. This will help to ensure that the project is completed on time and within budget.

8. Finally, the project team should consider implementing a more robust change management process to ensure that any changes to the project are managed in a controlled and organized manner.

9. The project team should also consider implementing a more robust communication plan to ensure that the stakeholders are kept up-to-date on the progress of the project.

10. The project team should also consider implementing a more robust resource management process to ensure that the project team has enough resources to complete the project on time.

11. The project team should also consider implementing a more robust quality management process to ensure that the work produced is of a high quality.

12. The project team should also consider implementing a more robust risk management process to ensure that the project is completed on time and within budget.

13. The project team should also consider implementing a more robust change management process to ensure that any changes to the project are managed in a controlled and organized manner.

14. The project team should also consider implementing a more robust communication plan to ensure that the stakeholders are kept up-to-date on the progress of the project.

15. The project team should also consider implementing a more robust resource management process to ensure that the project team has enough resources to complete the project on time.

16. The project team should also consider implementing a more robust quality management process to ensure that the work produced is of a high quality.
