Sonora RTC is a big, strong, stretchy, straight, silky female. Her size comes from both parents, her dam My Serenity RTC stands 47.5 at the withers, and her sire GNLC Scorcher is a solid 49 inches at the withers. Sonora RTC is not only big she has perfect conformation, every step is inline, she has a great top line, bone with stretch, high tail set and a nice head with banana ears. She has an amazing long stretchy neck, width and lots of beautiful silky fiber with coverage from ear to toe. RTC Llama Ranch goes back six generations on Sonora, she really was a difficult decision to enter in the sale. This striking young show prospect, has a great disposition and the pedigree protection plan is definitely in place, her pedigree includes; Toocoolo RTC, RAR Richochet, Argentine Fresco, GNLC Merlin, The Boss, Sijama Zestie, G.C's Ultra Vixen, Kala Shay RTC and FFF Chiri Colipe. She sells with the RTC Llama Ranch guarantee.
