

Keynote Speaker Jennifer Shaw

Warm. Real. Funny. Intelligent. Engaging. These are some of the words people use to describe Jennifer Shaw, but her favorite is Christ-follower. With a love for people and a heart to serve God, Jennifer wants nothing more than to point people toward the One who has changed everything in her life. Both a special needs and adoptive mom, she is also a Telly Award-winning speaker, author, singer, songwriter, and five-time Billboard Top 40 artist who never thought she'd be doing what she's doing. Through devastating and unexpected circumstances, Jennifer's picture-perfect life came to a screeching halt with a series of life-changing events that she describes as her refining fire which taught her who she is, what is important, and that life really is all about Jesus.

"Learning Lessons and Living Life Like Esther"

A simple life is not to be found. Often all is well and then it's not. Sometimes it's an irritating interruption and other times it's piercing pain. Esther's life was like that. Join me as we tap into Esther's experiences. We can connect, embrace, and be challenged by Esther's God honoring life. Join me and let's each fill in our own blank. "And who knows if perhaps you have _____ for such a time as this?"

Praise and worship will be led by music artist, Jennifer Shaw.
