

# COVID-19

## TOWN OF SEDALIA PUBLIC NOTICE

In the Town's efforts to consider the health and safety of our citizens during this COVID-19 pandemic, we will conduct our board meetings via Zoom until further notice. Using this option allows the town to comply to the public distance regulations, while still maintaining regular business operations of the town. As with regular scheduled meetings, they are open to the public. If you are interested in participating, please contact the Sedalia Town Hall to add your email to the list for receiving updates & meeting invites.
