Acupuncture is a non-invasive holistic medicine that integrates the mind, body, and spirit. In acupuncture we focus on the body as an integrated whole system. During your treatment, in addition to acupuncture needles, a variety of other therapies may be used. These therapies include gua sha, cupping, moxibustion, electrical stimulation, tuina, shiatsu, essential oils, and lifestyle and dietary changes.

"DANCES WITH FIRE" Just published by Amazon.com available in paperback or download via Kindle. I also have copies available for anyone that doesn't do business online. The book is about an old cold case I was involved in during my career with the DPD. I'm just a small part of this national and inter-national investigation. The author who is from Colorado became interested in this case. It took us 2 1/2 years to write. I hope you will enjoy.
