

Join Michigan NORML...

The single most important thing you can do to end marijuana prohibition is to join MINORML and help us take back your individual right to cultivate and consume this God-given plant. It's time to debunk the myth that cannabis consumers are a fringe or deviant group of people, and expose the world to the reality that consuming cannabis is extremely common, and that cannabis is the intoxicant of choice for millions of hard-working and otherwise law-abiding Americans!

JOIN NOW and help make MINORML a strong and influential political presence that our elected officials can no longer ignore. For only \$15 a year you can become a financial supporter of MINORML. Your financial support will NOT go to pay Michigan NORML board members for their generous self-financed service to the hemp and cannabis community, rather your money will be used to finance a variety of campaigns developed to increase public awareness and support for the repeal of criminal penalties for cannabis consumers by attending a broad range of events across the state. We will use your money to help establish a regulated system for the cultivation, processing, and sale of cannabis products to adult consumers. We will use your money to promote hemp cultivation in Michigan, and the production of a wide variety of products for the global marketplace. We will also use your money to advocate for strong protections for medical cannabis patients who depend on a steady supply of medical cannabis treatment options to alleviate the discomfort caused by their debilitating medical conditions, and to help them break the cycle of damaging prescription narcotics.
