

LeTort Quilters of Carlisle Block of the Month 2019-2020
written by Deb Weigle

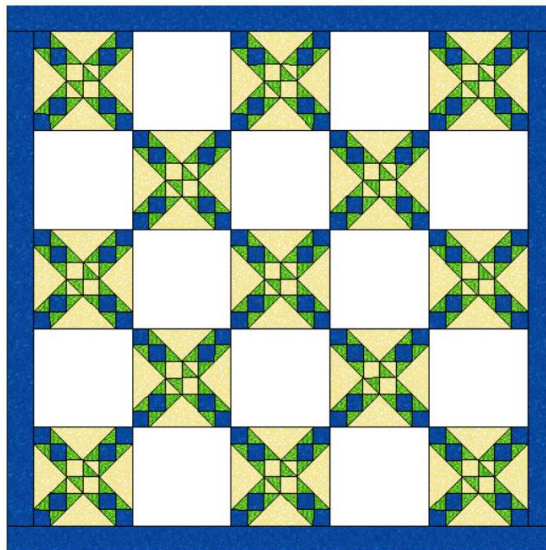

Welcome to the 2019-2020 Block of the month. I am very excited to get started this year so we will be making the alternate blocks and the first two blocks over the summer. Each month, two more blocks will be published so that the last blocks and the border will be available in January.

It is best to work with 9 colors – 3 lights, 3 mediums and 3 darks. Seeing the first 2 blocks and the alternate blocks will help in selecting your colors.

The finished size of the quilt without borders is 60" x 60", with one border 70" x 70" and with a small inner border and an outer border 73" x 73"

If you decide you do not like a block or you find it too difficult, please substitute a block you like. All blocks finish at 12" square. So, when you measure them to see if you have it correct after assembling it, the block will measure 12 ½" square.

Let's get started!

Schedule:

Alternate blocks and first 2 blocks in July

Blocks 3 and 4 in September

Blocks 5 and 6 in October

Blocks 7 and 8 in November

Blocks 9 and 10 in December

Blocks 11 and 12, border in January
