

Lauren C. Howe

Stanford University, Department of Psychology, Jordan Hall, Building 420, 450 Serra Mall, Stanford, CA 94305
Cell: 434-305-8363 • E-mail: Lchow@stanford.edu

EDUCATION

Postdoctoral Scholar, Mind & Body Lab, Department of Psychology, Stanford University
Stanford, California, *Fall 2017 – present*

Ph.D., Social Area, Department of Psychology, Stanford University, GPA: 4.04
Stanford, California, *Fall 2011 – Fall 2017*

University of Virginia, GPA: 4.00
Charlottesville, Virginia, *Fall 2006 – Spring 2010*

- Bachelor of Arts in Psychology with Highest Distinction & German Language and Literature

HONORS AND AWARDS

frank 2018 Prize for Research in Public Interest Communications first round finalist, *Winter 2018*

Social Personality and Health Network Outstanding Research Award, *Winter 2016*

University of San Francisco, College of Arts & Sciences Teaching Development Fund, *Fall 2016*

Graduate Student Teaching Award for excellence in teaching graduate statistical methods, *Spring 2014*

Society for Personality and Social Psychology Graduate Student Travel Award, *Winter 2014*

Fulbright English Teaching Assistantship Grant to Germany, *Fall 2010*

University of Virginia Research Excellence Award in Psychology, *Spring 2010*

Phi Beta Kappa Honor Society, University of Virginia, *Spring 2010*

Induction into the Raven Society, the University of Virginia's oldest honor society, *Fall 2010*

Psi Chi International Honor Society in Psychology, *Fall 2009*

Echols Scholar Program, University of Virginia, *Fall 2006*

RESEARCH GRANTS

Stanford School of Medicine Presence Center Research Grant (\$4,500), *Summer 2016*

Stanford Vice Provost for Graduate Education Graduate Research Opportunity (\$4,500), *Spring 2016*

Stanford Psychology Department Dissertation Research Funds (\$4,000), *Spring 2016*

Stanford Diversity Dissertation Research Opportunity (\$5,000), *Winter 2016*

Foundation for the Science of the Therapeutic Encounter Research Grant (\$5,000), *Winter 2016*

Norman H. Anderson Research Fund Grant (\$1,000), *Fall 2015*

Stanford School of Medicine Presence Center Research Grant (\$4,450), *Fall 2015*

Stanford Psychology Department Pilot Data Research Grant (\$8,000), *Winter 2015*

Shaper Family Stanford Interdisciplinary Graduate Fellowship (three years of support), *Spring 2014*

National Science Foundation Graduate Research Fellowship (three years of support), *Spring 2011*

Undergraduate Research Grant for independent psychology research (\$500), *Spring 2010*

PUBLICATIONS

- Howe, L.C.**, Hardebeck, E.J., Leibowitz, K.A., & Crum, A.J. (in press). Provider demeanor impacts perceptions of visit length. *Journal of General Internal Medicine*.
- Howe, L.C.**, Goyer, J.P., & Crum, A.J. (2017). Harnessing the placebo effect: Exploring the influence of physician characteristics on placebo response. *Health Psychology, 36*(11), 1074-1082.
- Howe, L.C.**, & Monin, B. (2017). Healthier than thou? “Practicing what you preach” backfires by increasing anticipated devaluation. *Journal of Personality and Social Psychology, 112*(5), 718-735.
- Howe, L.C.**, & Krosnick, J.A. (2017). Attitude strength. *Annual Review of Psychology, 68*, 6.1-6.25.
- Howe, L.C.**, & Dweck, C.S. (2016). Changes in self-definitions impede recovery from rejection. *Personality and Social Psychology Bulletin, 42*(1), 54-71.

MANUSCRIPTS UNDER REVIEW

- Abeles, A., **Howe, L.C.**, Krosnick, J.A., MacInnis, B. *Perception of public opinion on global warming and the role of opinion deviance.*
- Campbell, T., Shepard, S., **Howe, L.C.**, Warren, N., & Mercurio, K. *Criticizing with care: The persuasive power of dual concern messages.*
- Howe, L.C.**, Leibowitz, K.A., Perry, M.A., Block, W., Kaptchuk, T.J., Nadeau, K., & Crum, A.J. *Symptoms as positive signals: Re-framing side effects to improve outcomes during oral immunotherapy for peanut allergies.*

WORKING PAPERS

- Howe, L.C.**, Carr, P.B., & Walton, G.M. *Normative appeals are more effective when they invite people to work together.*
- Howe, L.C.**, & Krosnick, J.A. *Attributes of attitude strength: Lessons from twenty years of research.*
- Howe, L.C.**, MacInnis, B., Krosnick, J.A., Markowitz, E., & Socolow, R. *Acknowledging uncertainty impacts public acceptance of climate scientists’ predictions.*
- Khan, S., **Howe, L.C.**, & Rawson, R. *Concern for the transgressor and the self: Two explanations for why we do not report transgressions.*

MANUSCRIPTS IN PREPARATION

- Howe, L.C.**, Handley-Miner, I.J., & Crum, A.J. *Mitigating the nocebo effect: How providers can communicate about side effects with patients without inducing unnecessary harm.*
- Howe, L.C.**, Hardebeck, E.J., Eberhardt, J., Markus, H., & Crum, A.J. *Bias under the skin: Do stereotypes of African-American and Asian-American doctors affect their patients’ responses to treatment?*
- Howe, L.C.**, Leibowitz, K.A., & Crum, A.J. *When Your Doctor “Gets You”: How Patient-Provider Relationships Can Moderate Placebo/Nocebo Response.*
- Howe, L.C.**, Monin, B., Hardebeck, E.J. & Crum, A.J. *Do doctors who expose some unhealthy habits make overweight patients feel less judged?*

INVITED TALKS

- Howe, L.C.** (2017, June). *Thinking about how we think about health*. Talk given at the Stanford University Health Improvement Program, Stanford, California.
- Howe, L.C.** (2017, June). *Using social psychological insights to promote health*. Talk given to the Stanford University Community Health and Prevention Research Program, Stanford, California.
- Howe, L.C.** (2017, April). *Why social connection with healthcare providers matters for patient health*. Talk given at the University of British Columbia Health Psychology Area Seminar, Vancouver, British Columbia, Canada.
- Howe, L.C.** (2016, June). *New explorations in responses to threats to the self: Investigating dehumanization and anticipated devaluation processes*. Talk given at the University of Washington Social Area Seminar, Seattle, Washington.
- Howe, L.C.** (2016, February). *The pain of rejection lingers when it seems self-definitional*. Talk given at Lumos Labs, San Francisco, California.
- Howe, L.C.,** & Dweck, C.S. (2015, October). *Changes in self-definition impede recovery from rejection*. Talk given at the Stanford Psychology Department Colloquium, Stanford, CA.
- Howe, L.C.,** & Monin, B. (2014, October). *Physician health behavior as a cue of potential judgment in doctor-patient interactions*. Talk given at the Stanford Psychology Department Colloquium, Stanford, CA.
- MacInnis, B., Krosnick, J., Caldwell, M., Abeles, A., & **Howe, L.C.** (2013, March). *Preparing for the Effects of Global Warming: The American Public's Perspective on Sea Level Rise*. Talk given at the National Press Club, Washington, D.C.

CONFERENCE PRESENTATIONS

- Howe, L.C.,** Goyer, J.P., & Crum, A.J. (2018, May). *Harnessing the placebo effect: The influence of physician characteristics on placebo response*. Talk in symposium "Harnessing Placebo and Minimizing Nocebo Effects in Physical Symptoms: The Role of Learning," at the annual meeting of the Association for Psychological Science, San Francisco, California.
- Howe, L.C.,** Leibowitz, K., Perry, M., Kaptchuk, T., Nadeau, K., & Crum, A.J. (2018, March). *Symptoms are positive signals: Changing mindsets about side effects to improve oral immunotherapy*. Data blitz at the Social Personality and Health Pre-Conference for the annual meeting of the Society for Personality and Social Psychology.
- Howe, L.C.,** Carr, P.B., & Walton, G.M. (2018, March). *Normative appeals are more effective when they invite people to work together toward a common cause*. Talk in symposium "New Frontiers in Social Norms: Understanding Perception, Mechanism, and Application," at the annual meeting of the Society for Personality and Social Psychology.
- Abeles, A., **Howe, L.C.,** Krosnick, J.A., MacInnis, B. (2018, March). *How political partisanship shapes perceptions of public opinion on global warming*. Talk in symposium "How Groups Help and Hinder Sustainability: Insights Beyond the Lab," at the annual meeting of the Society for Personality and Social Psychology.

CONFERENCE PRESENTATIONS, *continued*

- Howe, L.C.,** Goyer, J.P., & Crum, A.J. (2017, July). *Positive relationships strengthen the impact of expectations on patient treatment outcomes.* Talk in symposium “Strengthening the Doctor-Patient Relationship and Improving Health Outcomes Through Positive Psychology,” at the Fifth World Congress on Positive Psychology.
- Abeles, A., **Howe, L.C.,** Krosnick, J.A., & MacInnis, B. (2017, May). *Misperceptions of public opinion: Americans underestimate belief in global warming.* Talk in symposium “The Climate Change ‘Conspiracy’,” at the Annual Conference of the American Association for Public Opinion Research.
- Howe, L.C.,** & Monin, B. (2017, March). *Physicians who expose unhealthy habits are more effective for overweight patients.* Talk as chair of symposium “Using Social Psychological Insights to Make Sense of Persistent Health Disparities,” at the International Convention for Psychological Science.
- Howe, L.C.,** & Goyer, J.P., & Crum, A.J. (2017, February). *Physiological effects of treatment are influenced by patient expectations and practitioner interaction style.* Talk in symposium, “Harnessing Psycho-social Forces in Healthcare,” at the annual meeting of the Society for Personality and Social Psychology.
- Howe, L.C.,** & Dweck, C.S. (2016, August). *Changes in self-definition impede recovery from rejection.* Talk as co-chair of symposium “Me, Myself, and I: Self-Theories Shape Health, Well-Being, and Relationships,” at the American Psychological Association’s Annual Convention.
- Howe, L.C.,** & Monin, B. (2016, January). *Healthier than thou? When “practicing what you preach” backfires by increasing expected judgment.* Data blitz at the Social Personality and Health Pre-Conference for the annual meeting of the Society for Personality and Social Psychology.
- Howe, L.C.,** & Monin, B. (2015, February). *Physician health behavior as a cue of potential judgment in doctor-patient interactions.* Talk in symposium, “Health-Related Decisions: Understanding Patient Choice and Well-Being Through the Lens of Social Psychology,” at the annual meeting of the Society for Personality and Social Psychology.
- Howe, L.C.,** & Monin, B. (2014, February). *Healthier than thou? How physician health affects patient fear of judgment.* Data blitz at the annual meeting of the Society for Personality and Social Psychology.
- Walton, G.M., Carr, P.B., & **Howe, L.C.** (2014, February). *Cues of working together fuel intrinsic motivation and can contribute to the solution of collective action problems.* Talk in symposium “The role of interpersonal processes in group phenomena and cultural development,” at the annual meeting of the Society for Personality and Social Psychology.
- MacInnis, B., **Howe, L.C.,** Krosnick, J. A., Markowitz, E., & Socolow, R. (2013, October). *The Effects of Scientists' Expressions of Uncertainty on Public Opinion on Global Warming.* Australian Psychological Society Annual Meeting.
- MacInnis, B., **Howe, L.C.,** Krosnick, J. A., Markowitz, E., & Socolow, R. (2013, September). *Confidently uncertain: When expressing uncertainty enhances trust and persuasion.* Talk in symposium, “Certainty: New Studies of Certainty and Confidence in Social Cognition, Attitudes, and Self-Perception,” at the annual meeting of the Society of Experimental Social Psychology.

TEACHING EXPERIENCE

Teaching Consultant

Fall 2014 – Fall 2017: Stanford University. Created and led workshops on teaching-related topics; provided individualized feedback on graduate student teaching across departments.

Introduction to Social Psychology

Spring 2017, Spring 2016, Fall 2015: University of San Francisco, Adjunct Professor (lecture classes of 30-40 students).

Spring 2013: Stanford University, Head Teaching Assistant (two sections of 20 students).

Introduction to Psychology

Fall 2016: University of San Francisco, Adjunct Professor (lecture class of 38 students).

Summer 2017, Summer 2016: Stanford University, Co-Instructor (lecture classes of 35-40 students).

Winter 2014, Winter 2013, Fall 2012: Stanford University, Teaching Assistant (1-2 sections of 15-20 students).

Social Psychology and Public Policy*

Spring 2015: Stanford University, Teaching Assistant (lecture class of 39 students).

Identity in the Classroom*

Fall 2015: Stanford University, Learning Community Member. Led discussions on identity and diversity in the classroom as part of a year-long seminar class with 20 students.

Social Psychology*

Winter 2014, Winter 2015: Stanford University, Teaching Assistant (seminar class of 25 students).

Statistical Methods for the Behavioral Sciences*

Fall 2013: Stanford University, Teaching Assistant (one section of 20 students).

Wise Interventions

Fall 2012: Stanford University, Teaching Assistant (two sections of 20 students).

** denotes a course designed for students at the graduate level*
