*special guest speaker*

**Ed Rivet** has been the Legislative Director for Right to Life of Michigan for 27 years. He has worked to assist the passage of parental consent and informed consent laws for abortion, protecting parents' rights and the assisted

suicide ban. Ed was a driving force behind Michigan's cloning ban in 1998, the first of its kind in the nation. He is also the principal author of the 2004 Legal Birth Definition Act to ban partial-birth abortion in Michigan. Ed served on the legislatively appointed Michigan Commission on Death and Dying in 1993 in the wake of Dr. Jack Kevorkian's lethal activities. Ed has published numerous articles, presented at national level conferences and done countless media interviews including appearances on CNN and Good Morning America.
