“[Justin] has the ability, work ethics, and perseverance to achieve all his goals in life. He will be a responsible and productive citizen that I am very proud of....a valuable asset to any learning community .... I believe this young man's passion to help humanity and his perseverance to achieve his goals will take him very far in life.”

**M.L. Esther Peckham** - Teacher/School Administrator

“As the son of a Surface Warfare Officer, this scholarship has special significance for me and my family. Your support is essential for me to attend the University of California, Berkeley, where I will be majoring in Chemical Engineering. It wouldn't have been possible without the benefactors. This is a great start to the beginning of my path to become a Navy doctor and giving back to community.” **Justin**
