COVID update: Members have had their second round of COVID-19 vaccine. We have been working as vaccinators at the Franklin County Board of Health Vaccination Center. We have also had two EMS members on staff at the teacher vaccination pod at the Reynoldsburg High School Field House. We also ordered a portable cooler to transport vaccines in small amounts to small groups. We do not foresee being a vaccination place until possibly April due to lack of availability of the vaccine. Thanked Jason with assisting in a non-medical position at the vaccination center with shortfall in staffing levels.
