

NURSERY LETTER SUMMER 2021

Welcome to our third Nursery Curriculum Newsletter. You will receive a newsletter each term, highlighting the learning that we will cover in each of our curriculum areas.

It is lovely to have everyone back in Nursery for our last term.

We are continuing to use Tapestry to share the children's learning, as well as activity ideas, stories, songs and messages.

We really enjoy sharing your child's learning and special moments with you. We love to see what they have been learning and enjoying at home. Please continue to share those special moments with us here too.

Please make sure you can access Tapestry, we would not want you to miss anything. If you have a problem contact the school office.

We will continue our main planning based on the children's interests, as the children lead the way in their own learning. In addition to this, we will concentrate on those skills that the children will need ready for their next step in school life - moving into Reception!

There will also be lots of activity ideas that are linked with our theme 'This Is Us' - which has already been great fun with hand and feet printing.

PE will be on Fridays, children can come into Nursery wearing their PE kits; White t-shirt, tracksuit bottoms or leggings and trainers.

We look forward to a busy term, any concerns please do not hesitate to speak to us!
