BROWN'S GYMNASTICS

***Coming to Sienna Crossing El.
Classes Begin...Monday, Sept 10***

3:35-4:20....Kinder, 1st, and 2nd grade

We will pick up Kinders from their pod at dismissal. All other students will go to the cafeteria directly after school and check in at our gymnastics table. They will be supervised by one of our coaches until time for their class. They can bring a snack if needed. They will not be allowed to leave the cafeteria without supervision. After their class (4:20), we will return them to extended care or walk them out to the back carpool area and wait with them for pick up. After 10 min. we will bring them back inside with us.

4:20-5:05....3rd, 4th, and 5th grade

3rd grade and up will go directly to the cafeteria stage and check in with their supervising coach. While waiting for their class, they can relax with their friends and/or do homework. We will have a teacher to help them with any homework needs. After their class, we will walk them out to back carpool area for pick up or (with written permission) allow them to head home on their own.

Some 2nd graders may be given an offer to move up to the older class if skill level warrants it.

We will include **Cheerleading** for those students that want it. All others will continue with their gymnastics work.

Please take the time to read the information below.

Please let me introduce myself. My name is Steve Brown. I have been owner/lead instructor of Brown's Gymnastics for the past 27 years. We service some of the largest public and private schools in Houston. My family and I moved to Sienna Plantation 2 years ago (LOVE IT). I have a 3rd grader at SC and another one starting next fall. We are thrilled to have the opportunity to bring our coaching skills to our new home.

We offer exciting 45 min. classes, once a week at your school. This is real gymnastics, not sitting in a circle singing songs. We work in the areas of floor tumbling, balance beam, and mini trampoline. In all of our classes, we also mix in health, fitness, and well-being information along with some humor. We set 3 goals for our students.

1. Learn to work hard for what you want.
2. Learn to control yourself both physically and mentally.
3. Have FUN!

We don't necessarily build Olympic Gymnasts.....

WE HELP SHAPE HEALTHY, HAPPY, CONFIDENT KIDS...with SKILLS!
