No new inning should start after 1 hour and 15 minutes into the game. The next inning begins at the time of the third out of prior inning. If there is no game following your game - you can play all 5 innings IF both coaches and umpire agree BEFORE the game starts.
13. **Ties:** No ties. Use the USA Softball tiebreak rule. The last batter the inning before starts as a base runner on 2nd base. Both teams get a chance to bat, no outs.
14. **Playing Time:** Each player must play at least 1 inning defensively.
15. **Number of Players:** Each team shall field 10 players. Each team has to have at least 8 players. Fielding less than 8 players constitutes a forfeit unless other arrangements are made with the opposing coach in advance. If playing with 8 players - every time the 9th player should be up to bat it is an automatic out.

16. **Number of Infielders:** Defense consists of 6 infielders (pitcher, catcher, 1st base, 2nd base, 3rd base, shortstop between 2nd and 3rd.) Infielders must play their positions. Infielders must play in front or behind the baseline so they don't interfere with base runners.
17. **Number of Outfielders:** The 4 outfielders must play their positions & remain 20 feet behind the baseline until the ball is hit. No sneaking them up right behind 2nd base.
18. **Substitution:** Free substitution or reinsertion into the defensive field is legal.
19. **Number of Batters:**

Regular Season: The coach will present a continuous batting order listing all players on that team. (Example: If a team has 15 players, the coach will present a 15-person batting order.)

Tournament: Optional 10-person batting order may be used. A batter may enter and leave the batting order as many times as the coach wants, but only in one spot in the batting order.
20. **Base Runners:** Stealing is allowed. Must stay in contact with the base until the ball has been released by the pitcher. Leaving the base too soon is a judgement call by the nearest umpire. If the runner leaves early - a dead ball is called - the runner is out, and the pitch does not count. Runners can advance on overthrows.
21. **Throwing the Bat:** Any player excessively throwing the bat will be warned 1 time. The next offense will result in an automatic out.
22. **Fly Ball:** A fly ball caught in any area is an automatic out and retires the batter. Runner MAY tag up after the catch and advance. The runner will be called out if they did not tag up before advancing.

 - a. can instruct their players from their 1st or 3rd base coaching positions (box)
 - b. will NOT touch a player OR interfere with a play

29. **Make Up Game:** Rain out games will be rescheduled (teams involved will decide a new date). Make a honest effort to make up games. If a team forfeits it will be recorded as a 1-0 win for the opposing team. If a game was called due to rain and was not an official game at the point it was called - start a new game on a re- scheduled date. If for any reason a team cannot play they must make reasonable efforts to reschedule. Rules committee has final say on any dispute.
30. **Protests:** Teams must notify the League Coordinator of any protests within 24 hours of the game.
31. **Hit by Pitch:** When a pitched ball, not swung at nor called a strike touches any part of the batter or clothing the batter is awarded first base. It does not matter if the ball strikes the ground first. The batter must attempt to avoid being hit. If no attempt is made to avoid being hit, the batter is not awarded first base.
32. **Infield Player Face Masks:** Recommended but not required this year.
33. **Player Availability:** A player can only play on 1 team in the South Central Nebraska Summer Softball League per age group for regular season and tournament play. 34. **Sliding:** It is the runner's responsibility to avoid contact at any base & home plate. A fielder may not block the base or plate unless in possession of the ball and making a play. Safety is a priority in this recreational league. **The runner MUST slide on any close play at 2nd or 3rd base & home plate, or the runner is automatically out. Close play is defined as the defensive playing having the ball and attempting to make a play.**
