

Sarah Lopez

My name is Sarah Lopez, I am a local artist born & raised in New Mexico. Both of my parents are sign painters & own their own billboard business, so art is definitely in my blood. I have a Bachelor's of Art in Animation Graphics & 2 Associate degrees one in Social Media Marketing & one in Digital Marketing & my Certificate in Art Therapy & a Diploma in Viral Marketing. I've ran my painting business on and off for 10 years & would love to someday work in the Art Therapy field. Other than art I started & currently run my own cleaning business & my own non-profit called Just BE Cause, that focuses on helping people in need & getting out into our community to help by hosting multiple events each month. I am always busy and I love it! I have an amazing husband, 2 daughters & an Angel that are supportive of all my adventures! I am very blessed!
