

We try to read through the Bible at the same time as a church. The purpose for this Bible reading plan is to allow the people of the church to SOAP journal through the same Scriptures together each month. For most months, the required reading will be less than one chapter a day. This is a Bible reading schedule that we are attempting to continue doing together for 2019:

January	Romans
February	Numbers
March	Ephesians
April	1 & 2 Kings
May	Colossians
June	Deuteronomy
July	1 & 2 Peter
August	Judges
September	Revelation
October	Psalms
November	Ruth
December	Gospel of John
