In 2012, UTEC finished the renovation and expansion of a beautiful 1839 church. After this ambitious project, UTEC became the oldest LEED Platinum Certified building in the country. We take pride in our “green” features, from the solar panels on our roof to the local ingredients in our kitchen.

MAIN FUNCTION HALL

The Main Function Hall easily converts from casual to formal, and is ideal for both ceremonies and receptions of up to 300 people. Historical details include a stunning cathedral ceiling, red-carpeted mezzanines, and an original hardwood floor. These features are complemented by an advanced sound and AV system, theater lighting and uplights, and on-site tables and chairs.

CAFÉ AND ATRIUM

The Café and adjacent indoor atrium offer a versatile space for gatherings of up to 100 guests. It is an ideal location for a cocktail hour between ceremony and reception, as well as wedding showers, rehearsal dinners, and engagement parties. During warmer months, the outdoor patio offers additional space.

DANCE STUDIO

The Dance Studio, also known as our Large Conference Room, is a truly adaptable space, ideal for gatherings of up to 75 people, including showers and rehearsal dinners.

BOARD ROOM

The Board Room is an ideal spot for the bridal party to get ready. As the only event space on the third floor, it offers a private space with beautiful city views.

Facility rentals help allow UTEC to sustain and grow its mission to ignite and nurture the ambition of our most disconnected youth to trade violence and poverty for social and economic success. By choosing UTEC, you help us to plant seeds of peace in our community.

THANK YOU
