

November 2, 2018

Dear Saint Anne School families,
During the upcoming month of November when we thank Our Lord for all that we have, Saint Anne School would like to complete a service project to help Saint Anne Church with their daily "Brown Bag Lunch Program". Food items and paper goods that are donated from November 5th through November 19th, and cards that students make at school will be put in the late November and December lunches. During the collection dates, food items and paper goods will be placed on the table outside Miss Copeland's room. Mrs. Welsh from Saint Anne Church has asked for the following food items and paper goods:

- packaged Jell-o or fruit (that needs no refrigeration)
- individual packages of:
pretzels, cheese or peanut butter crackers,
cookies, and other snacks
- apples/oranges/clementines (These will be delivered to the Saint Anne Church kitchen for distribution the day they arrive.)
- sandwich baggies/snack baggies (fold over type)
- brown lunch bags

Thank you,
Mrs. Laforest and Mrs. McIntyre
