## *New Year's Letter*

Hello my lovelies!

I want to wish everyone a Happy New Year!

Can you believe this is my 4-year-old year?! I can't wait to get back into training and back on the racetrack!

Right now, I'm on "vacation" at the farm in New Jersey. I needed a mental break and to just be a horse. My training will resume just before spring.

As you know, 2019 didn't turn out to be a bad year even though it did not start well at all. Beside the first and second place finishes, I got a third and some fourths!

I travelled to a few different tracks to race but I'm not sure if that's my thing. We all know I hate the turf too!

I am proud to say that I was able to donate over \$1,000.00 to Thoroughbred Retirement Foundation from my races! I hope to make this year a more "Prosperous" one!

My mom and dad visit me often. I love that they bring me snacks but mom tries fussing at me. I get mad at her when I don't win my races and thought about kicking her one time! She knows I'm a diva and tells me I just have to do better next time. Dad always tells me I'm a princess and that makes me feel better.

I am looking forward to see what the year brings and hope it is a safe and successful one for us all.

See you at the track!

Much Love,

*T.P.*
