June Program: Cocktail Shakers by Elizabeth Mills

Elizabeth has been collecting barware for 15-18 years including shakers, picks, strainers, etc. She brought about 3/4 of her collection for display. She often refers to Stephen Visakay's book on barware after having heard him speak at Tales of the Cocktail here in New Orleans. Some favorites were: Art Deco Penguin reproduction, Rooster, Boston Lighthouse reproduction, Rocket Ship, Snowman, Bull Dog, Car (wheels turn), Golf Bag, Recipe Shaker (spins), Fire Extinguisher, and Reed & Barton Milk Jug. Elizabeth doesn't use them, but displays them proudly in her home. She has a few she is still looking for so if you find a Ships Lantern (red or green), Ladies Leg (red, green, or frosted white), or Bel Gettes Skyscraper please let her know.

Thank you Elizabeth for sharing this interesting collections with us.
We look forward to seeing you at future meetings.
