Dear Parents/Carers

This half term, Year 5 will be learning about Space and on Monday 16th September, the children will be taking part in workshops run by Starlight Stem.

The children will have the opportunity to experience a state of the art, 35-seat, high definition planetarium. The dome has a proper door giving excellent access and unlike some mobile planetariums is straightforward and stress-free for children to access.

In order for this event to go ahead, we must ask for a contribution of £4.50 from each child. If we do not receive enough donations then this event may not be able to happen. Payment can be made through the electronic SIMS AGORA account or in cash at the school office. Please complete the slip below as appropriate.

We hope that this will be an excellent experience for the children which will go on to enrich their learning and understanding on this topic.

Yours Sincerely

Mrs S Kent
Year 5 Lead

Planetarium Workshop

Pupil Name
