

CARLEEN HEALTH INSTITUTE  
of SOUTH FLORIDA

## Nursing Program Requirements

### Summary

*The Program Director reserves the right to discontinue a student's enrollment at any time during the program, if in their judgment; the student does not possess the qualifications necessary for a nursing career and/or to safely carry put professional responsibilities. This includes but is not limited to violations of Carleen Health Institute of South Florida Catalog Requirements, Nursing Program Requirements, Health Care Agency Requirements, Code of Student Conduct, Code of Professional Behavior, and Florida Nurse Practice Act as it pertains to the Practice of Nursing.*

### Student's Professional Commitment

*I have read and I agree to abide, uphold, and comply with the Carleen Health Institute of South Florida Nursing Program Requirements, Carleen Health Institute of South Florida Catalog Requirements, Nursing Program Requirements, Health Care Agency Requirements, Code of Student Conduct, Code of Professional Behavior, and Florida Nurse Practice Act as it pertains to the Practice of Nursing.*
