'From the tribe of Issachar, there were 200 Leaders of the tribe with their relatives. All these men understood the Signs of the times and knew the best course for Israel to take.'

-1 Chronicles 12:32

The purpose of this study is to analyze several of the *Bible Codes* as they pertain to the Planet X phenomenon. This study suggests that such a phenomenon is a sequel and subsequent appearance as a 'sign' related to the Revelation 12 *Great Sign of Virgo*. This *Bible Codes* do appear to correlate to the possible association of the Revelation 12 *Red Dragon* as being astronomically, the appearance of Planet X and its effects thereafter. The main terms used will be *Nibiru*, *Star*, *Destroyer*, etc. The following matrices will present the *Bible Codes* that have been annotated from the studies of code searcher Jonathan Matthew Wright over the years. This study suggests the matrices found by him appear to be Biblically reliable and valid and thus could present prophetic urgency for the *Bride of Christ*, the Church and Israel to evaluate.

The true test of the *Bible Codes* as being prophecy is that the *Bible Codes* should lead a reader to Jesus Christ; to a greater and deeper appreciation of the *Living Word*. As the code searcher rightly describes, YHVH has placed every letter of the Bible in a particular location that corresponds to a number and symbol. What the modern computer has allowed this *Last Generation* to do is to accurately examine the Bible in patterns based on equal letter distance sequences in a matter of seconds. This epitomizes the prophetic condition of the *Last Days* of how knowledge, travel and information in this context would increase. It is also the case that the author's own research into prophetic timelines based on the celestial codes pertaining to astronomical patterns, appear to be validating the *Bible Codes* and vice versa.

The Planet X *Bible Codes* suggest that the year 5777-78, that is 2017-18, will be the culmination of several prophetic timelines converging and synchronizing simultaneously. These prophetic converging events include the *Year of Jubilee*, and then perhaps the *Rapture*, the *Sudden Destruction*, i.e., *World War III*, the *economic collapse* and the emergence of the *New World Order* along with its *Antichrist* and the rebuilt *3rd Temple*. These are a lot of prophecies yet to occur and will need to occur in the not too distant prophetic future nonetheless. Perhaps it will be the case that during one or several of YHVH's appointed times or Feasts, such events could be directly tied to the dates that that may be being ushered by such celestial signs as the *Great Sign of Virgo* and the *Red Dragon* typology.

The Circumstantial Evidence

This study identifies *10 Bible Code* matrices that appear unique as each particular code matrix is indeed a 'modern day Ephod' as they are presented. However, they are not to be predictors of events, but there is divine revelation to be considered and some will inevitably be predictive in composition. According to the code searcher the *Bible Codes* are possibly another witness to the authenticity of the *Word of YHVH* in these *Last Days*. These Planet X *Bible Codes* are presented for one's own study, reference, discernment and consideration. For an explanation and study of each of the chart matrix tables, visit the code searcher's YouTube channel, 'Codesearcher dotnet'.

The statements and explanation presented by Wright on video are not necessarily the views and opinions of the writer but most are agreeable in principle. The annotated Planet X *Bible Code* charts have been published with the permission of its author. The work of code searcher Jonathan Matthew Wright has produced over hundreds of Bible code that have been annotated by way of charts for study and illustration. These Planet X *Bible Code* matrices can be downloaded for free at a better resolution and in PDF format. These annotated charts can be found achieved at the following website address. The website was created to catalog the *Bible Code* charts from the YouTube video series. No other websites on the planet has as many Biblically inspired code matrices made available for free downloading than this site has in these *Last Days*.

The webpage also has other resources such as eschatological studies, charts and posters. To reiterate, this series of annotated *Bible Code* charts pertaining to Planet X and presented in this study consist of 10 matrices that are transcribed from the study and teaching of Jonathan Matthew Wright. The *Bible Codes* presented in this study span several years that correlate to the start of the code searcher's online video publications. The synopsis of each chart will try to capture the core teaching and the explanation will be presented in paraphrase format. The synopsis of the matrices will attempt to convey the thoughts and rationale behind the tables as much as it has been understood as the wording is taken from the YouTube channel video series.

The ELS or terms of any one given code chart are not all inclusive and not all the thoughts contained in the on-line studies will be detailed. The Axis Term and Row Skip width will be capitalized for emphasis. In each of the written summaries, the terms or ELS words and/or phrases found in the matrix tables will be italicized for distinction. The Row Skip as well the Axis Term will also be noted for location reference in the written summaries. The computer program used for searching the Planet X *Bible Codes* is *TorahSoft*. The following are the explanation of the Planet X *Bible Code* matrices with annotated descriptions in English translated from the Hebrew code matrix tables. The *Bible Code* charts are listed in numerical order for easier reference. As noted, not all the terms mentioned in the online video study series will be noted on the code tables. In some cases the numbers 1-10 will be not be spelled out but noted numerically for emphasis.

2. The Destroyer is Coming II

Width: 11800 Center: 423351

The Axis Term is also just *Destroyer is Coming*. This is the same matrix as number 1 but with an expanded terminology of word associated with the Axis Term. The terms that are brought out in this expanded version are the following: *The Virgin*, *Marduk*, *Wandering*, *Leviathan*, and *Comet*. What this matrix brings out is a further strengthening of the terms that attest to the Revelation 12 *Red Dragon* being possibly Planet X as the term, *The Virgin*, *Dragon* and *Wandering* speak of the irregular elliptical circuit that the Nemesis 2nd Sun apparently has. Some speculate that it has its orbit much like that of a 'comet', thus the term.

3. Confirmation of Nibiru

Width: 39 Center: 229669

The Axis Term is plainly *Nibiru*. It is a rather small skip and concise matrix with few terms but very poignant. Only 1 term crosses the main axis that is seen as significant, *End of Days*. What is also unique is that a parallel term that runs also vertical to the main Axis Term is *A Warning*. The other main terms are *Is Seen*, *Star*, the *Son of Jesse* and *Wormwood*. This matrix speaks to the terms found also in the book of Revelation of how one of the 2 main asteroids that will hit the Earth will be called 'Wormwood'. The whole book of Revelation is a warning that the coming *Destroyer* or the *Red Dragon* 2nd Sun that is also referred to by many other names such as the *Black Sun*, the *Dark Star*, etc., will be seen eventually by all of Humanity from Earth in the *End of Days*.

4. A Star that Falls - Nibiru

Width: 50 Center: 247091

The Axis Term is *A Star that Falls*. It is insinuating Nibiru's effects due to its debris trails that the Earth will pass twice as the 2nd Sun system *Nemesis* will leave on its way in and out of the *Solar System*. In this matrix, the Axis Term is at a slant but has several cross terms that are telling. One term is *The Stars*, the others are Nibiru, and *In the Heavens*. The other main term is *The Pit* that has with its clustering the terms, *Raphaim* and *Shedim* as in 'demons'. Will such a scenario account for the association that is also seen and spoken about in the book of Revelation where it describes how legions of demons will break through the dimensions to create havoc on the Earth and its inhabitants as instruments of the Wrath of the Lamb.

The secondary terms themselves have terms that cross them. For example, in the case of *In The Heavens*, the term, *A Sign* occurs 3 times. In the term for Nibiru, the words *The Blast*, *Heaven*, *Satan* and *Lucifer* are all interconnected. This perhaps speaks how in the book of Revelation the asteroids that will come will produce a cataclysmic blast from the Heavens and no doubt such signs will be in conjunctions with the lying wonders of Lucifer, which is Satan, etc. No doubt such events are clearly 'signs' that Jesus warned would occur and to look for. The other terms in the matrix that are significant are as follows; *Angel*, *Day of Sabbath*, *Judgment*, *The Beast*, *Days of Noah*, etc. The last secondary cluster of terms has to do with *To Warn or Shout*. In this term, a cluster of words speak to the effects of Wormwood. The terms that touch on the word *To Warn* are *In the World*, *Wormwood*, and *Will Fall*.

Width: 27518 Center: 399531

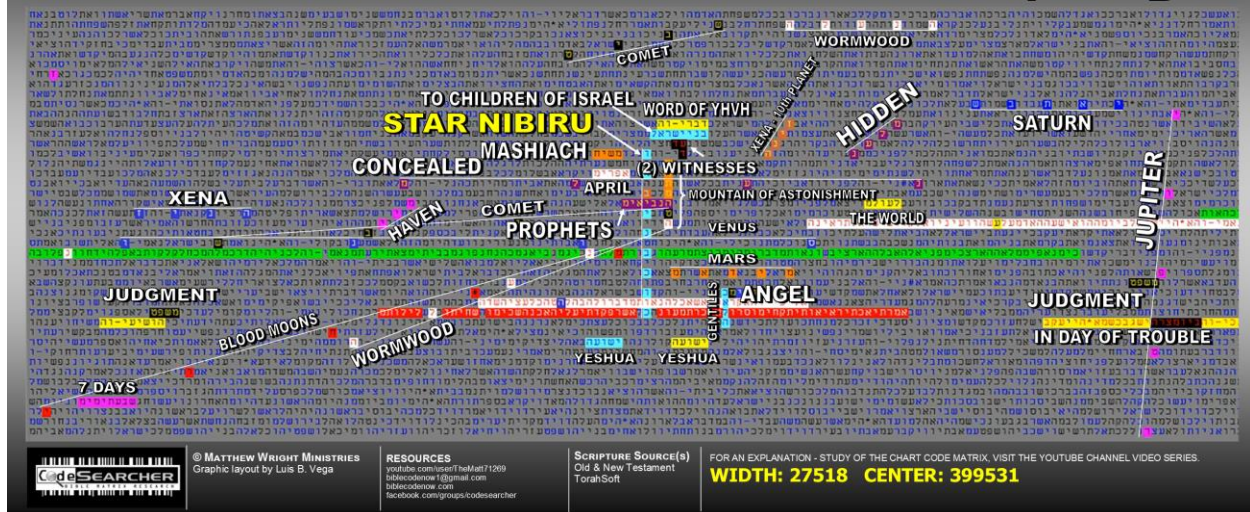

The Axis Term is *Star Nibiru*. It is a vertical alignment with about 4 cross terms that intersect it. Whenever such terms cross each other, it signifies a stronger emphases and connection that adds to the meaning. These terms in turn construct a possible 'picture' of what the matrix is possibly divulging. One of the terms that intersects the *Star Nibiru* is *Wormwood*. The other term is Blood Moons. Other terms are *Venus*, *Prophets*, *April*, *Concealed* and *Comet*. With such rich terminology, it can be suggesting that in fact the speculation that the *Nemesis* 2nd Sun is 'concealed' is because as a *Giant Red Dwarf*, it is absorbing light and not emitting it.

Thus this is why it takes an infrared telescope to see it as the term *Hidden* is noted. There are other planets that are noted, *Jupiter* and *Saturn*. It is *Jupiter* that plays a central role in the Revelation 12 *Sign* in *Virgo* and perhaps elsewhere. Other terms that are in the matrix that are significant are *7 Days* that could be alluding to the 7-year Tribulation period perhaps that will see such amazing 'signs' in the Heavens. Also there is the term, *Mountain of Astonishment* and *2 Witnesses*.

Perhaps the timeline is being associated that when such calamities are befalling Earth, it will be during the time the 2 Witnesses are ministering in Jerusalem for those 1260 days, thus the term, *To the Children of Israel*. Many believe that the Revelation 12 Virgo Sign is for Israel although it has echoes and a definition of the same word used to describe the Rapture of the Bride of Christ. The main argument of this study supposes that if the heavenly bodies, such as the planets are the elements that give the constellation its 'sign' significance, the motifs are thus correlated to a heavenly body. Thus, so too should the Red Dragon be, ergo, Planet X.

PLANET 7X NIBIRU WORMWOOD

Bible Code Matrix of End Time Prophecy

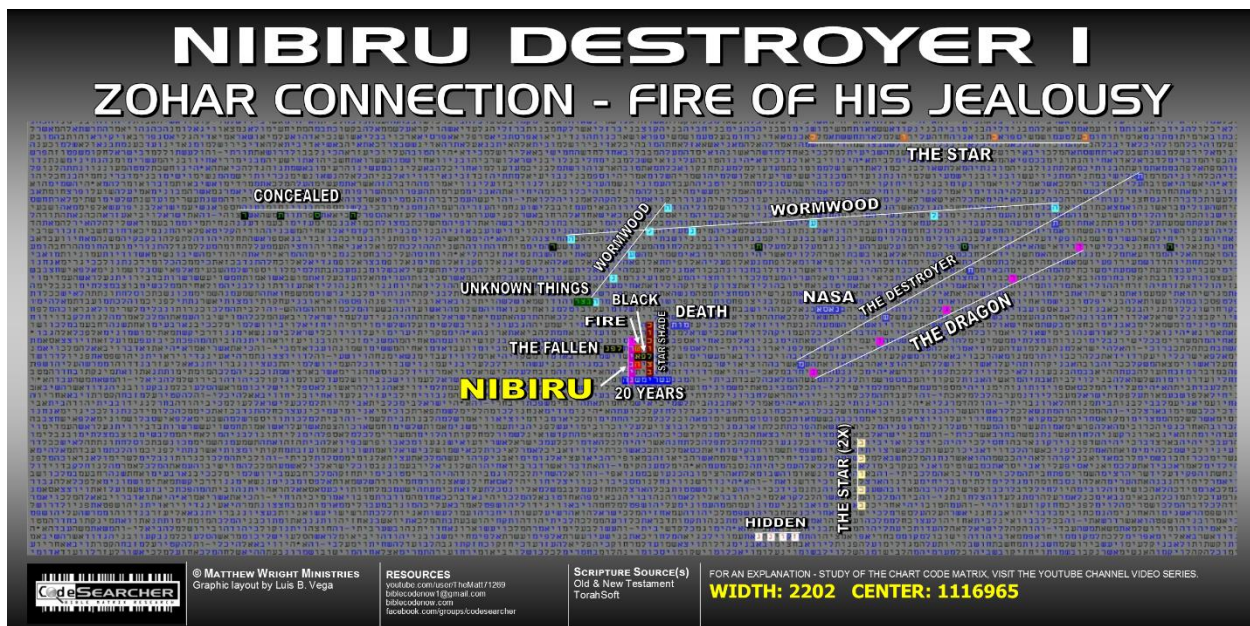

6. Nibiru Destroyer

Width: 2202 Center: 1116965

The Axis Term is *Nibiru*. The main term that is vertical is accompanied by 2 other vertical terms, *Fire* and *Star Shade*. It is peculiar but there is 2 other terms that dissect it, *20 Years* and *Black*. This code matrix is a bit more challenging to ascertain its meaning. Perhaps the term *20 Years* has to do with how many years *NASA*, a term also found in the matrix has known about Planet X but has covered it up. Near the cluster is the term *Death* that could suggest that the effects of Nibiru will no doubt cause black fire and a possible eclipse that is alluded to by the 'shade' made by the 'star'.

It is believed by some that have created models of this Planet X flyby that at some point a total eclipse will be occurring that will blackout the light of the sun for several days even. Next to the cluster around the Axis Term is *The Fallen*. Such will have a hand in orchestrating this series of calamities. Other terms in the matrix are *Wormwood*, *Concealed*, *The Star*, *The Dragon*, *Hidden*, *NASA* and *Unknown Things*. Evidently, the events of the coming *Destroyer* will be so profound, many will not know what to make of it. As it can be seen in the various Planet X matrices, there are recurring patterns of the same terminology that is consistent with the attributes of a 2nd Sun *Nemesis* star system that is coming.

The circumstantial evidence of what has been happening to the Earth's ecological systems attests to the fact that 'things are not normal'. There is a massive upswing since 2010 in earthquakes, solar flares, mass animal die-offs, adverse weather patterns, increase in active volcanoes, the creeping of the *Magnetic North Pole* and more. Not only is the Earth being affected but it has been observed and recorded that the Gas Planets are heating up and storms are being formed that have never been perpetuated.

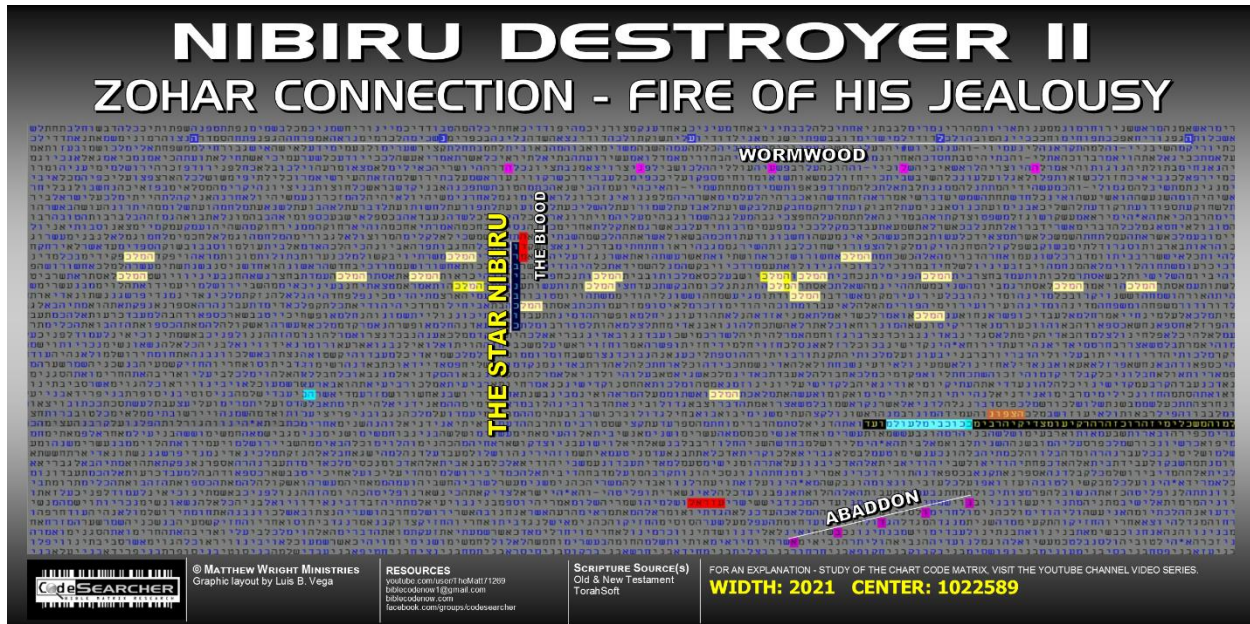

7. Nibiru Destroyer II

Width: 2021 Center: 1022589

The Axis Term is *The Star Nibiru*. This matrix is very simple and only has 4 terms to consider. The main vertical Axis Term is accompanied by a parallel term, *The Blood*. There is also *Wormwood* and *Abaddon*. Such an association suggests that there will be a lot of bloodshed once the *Pit* where *Abaddon* is opened where he and his minions have been chained-up for such a place and hour as the Tribulation period. It might very well also coincide with the 2nd asteroid that will hit the Earth and perhaps that is what will help to cause the *Bottomless Pit* to open up its sealed dimensions that have kept such demonic forces at bay and incarcerated for such as time as foretold by the book of Enoch.

It is recorded in the accounts of Enoch that in the Last Generation, the same rebellious Fallen Angels that descended on Mt. Hermon will be released. These are said to be the 'Titans' or Satans that been reserved in darkness to fulfill a destiny of judgment upon Humanity. As the motif of the Red Dragon with 7 heads is revealed eventually, the argument of this study suggests that the Seal Judgments amounts to the effects of having such a 2nd Sun Nemesis star system flyby the inner *Solar System*. Not only does the motif metaphorically have layers of prophecy to suggest that the *Red Dragon* certainly represents Lucifer's dominion and work on Earth but that it has to also astronomically correlate to heavenly bodies as does the other half of the revealed typology depicted in the storyline of the book of Revelation.

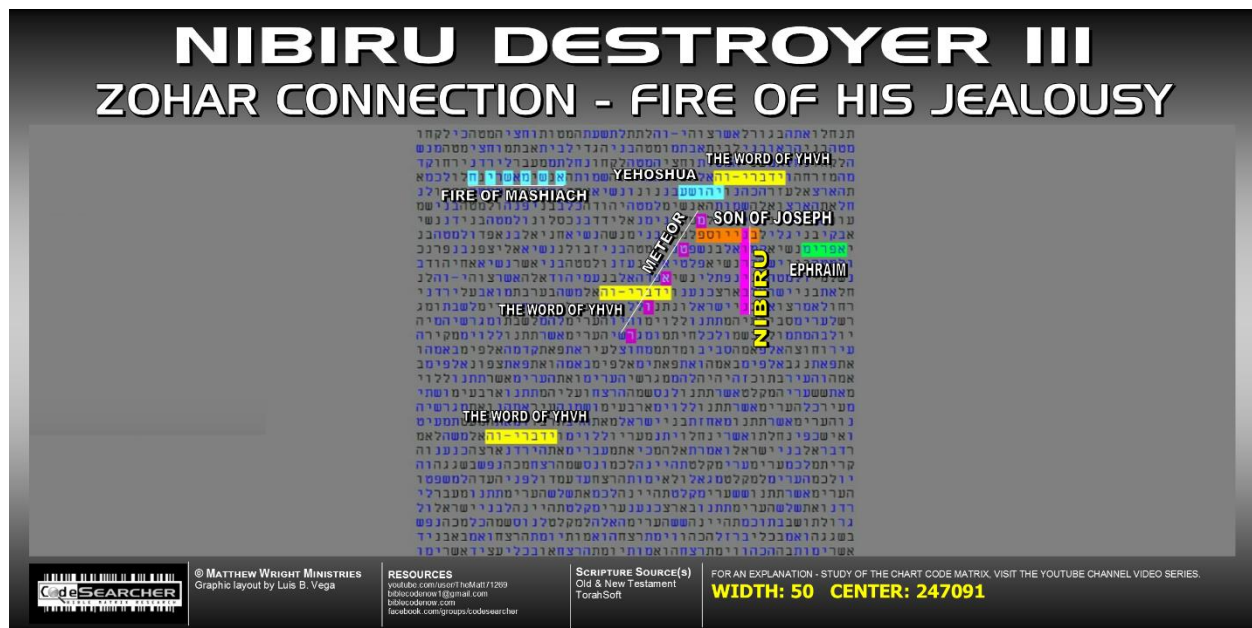

8. Nibiru – Destroyer III

Width: 50 Center: 247091

The Axis Term is also just *Nibiru*. It is at a skip of 50 in this case but some rather unique terms associated with it. There are 2 terms are near and one intersects the main vertical term, that being *Son of Joseph*. It is interesting to interpolate the notion that during the cataclysmic effects of the coming of Nibiru, the supposition is that it will coincide with the *Wrath of the Lamb* and in fact, it is what will be used to administer the *Seal Judgments* upon the Earth and its last wicked generation. The term *Sons of Joseph* has a connotation that indeed, the last week of Daniel's prophetic countdown will see Israel or the 'Sons of Joseph' go through the 'Time of Trouble'. In this particular matrix, the term *Meteor* is found intersecting *The Word of YHVH* and touching up against the *Sons of Joseph*. It is understood that there will be 2 asteroids that will hit Earth during the 7-year Tribulation period.

One will correspond as the Earth goes through the debris field of either the actual *Nemesis* 2nd Sun or of the path of its Planet X satellite. This 1st one will hit the water. This is described in the book of Revelation as a 'Mountain of Fire' that will destroy life in the oceans, etc. Thus the term *Fire from Mashiach* is noted on the matrix as it is Jesus, the Lion of the Tribe of Judah that has been found worthy to break the Seal Judgments and execute justice on Earth. The 2nd asteroid, that which is called specifically *Wormwood* will hit the land and turn the waters to make them poisonous due to its metal content. This 2nd one will come as a result of Earth passing the tail of the *Destroyer* or the *Red Dragon* Planet X as it rotates around the path in about a 5 month subsequent timeframe. It should be noted that the actual body or system is referred to as *Nemesis*. This is the binary 2nd Sun and it is alleged to have 7 planets or satellites. Out of those 7 bodies, 1 is the infamous Planet X that is often named Nibiru.

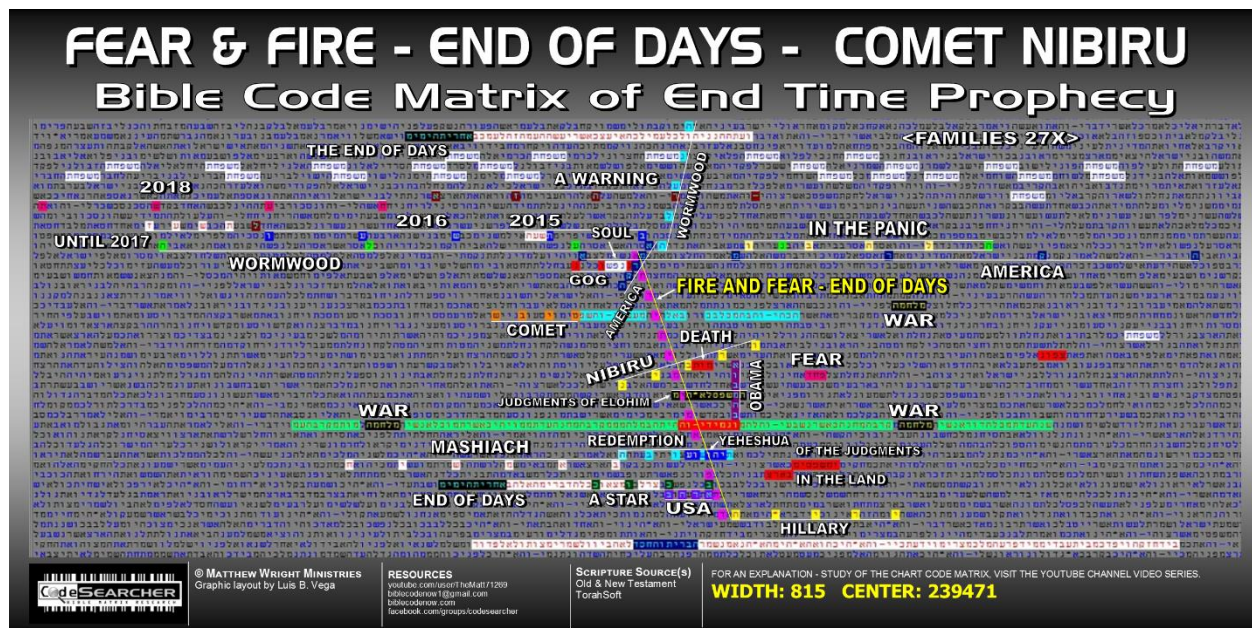

9. Fire and Fear – Nibiru

Width: 815 Center: 239471

The Axis Term is *Fire and Fear*. This matrix is full of terms that can provide some clues as to the nature of what is coming by way of the 2nd Sun *Nemesis* star system. The Axis Term on this matrix is at an angle and several other terms cross it. Such terms are *Soul* connected with *Gog*, *America as Nibiru* is connected with *Death*. There is also the terms *Judgement of Elohim*, *Redemption* connecting with *Yeshua*, *A Star* is connecting with *End of Days* and the *USA*.

The Axis Term is also 'capped' by several other terms, *In The Panic*, *America* and *Wormwood*. There are also several dates starting with *2015*, *2016*, *until 2017*, and *2018*. Perhaps this is the timespan that Nibiru started to ramp up its trajectory to make its debut in 2018. There is also an anomaly of 27 times that the term *Families* appears in the matrix. No doubt if and when, according to the book of Revelation, such calamities will be occurring on Earth as the *Wrath of the Lamb*, there will be mass panic and fear. Many believe that the advent of such a Planet X or *Nemesis* star system will start or correspond with the beginning of the Tribulation period.

10. Revelation 12 - The Gathering

Width: 50 Center: 301721

The Axis Term is *Star Nibiru*. This particular matrix has not only the central theme of the coming of Nibiru, the *Red Dragon* of Revelation 12 but the constructs of the possible 'gathering' to occur in terms of a possible 'rapture' associated with the motifs of the Revelation *Great Sign* of chapter 12. The main Axis Term is vertical and has only 1 intersection with a term, that of the *Days of Distress*. There are other intersections that are just as interesting to consider. There is Nibiru occurring twice that intersects 5777 which is 2017. Will this be the year that Nibiru is to debut at some point? Many are suggesting that the *Red Dragon* of the *Great Sign* of Revelation 12 also has to have its astronomical equivalency. Technically, the Revelation 12 *Virgo Sign* occurs on the 3rd day of the new Jewish year of 5778. The constellation of *Virgo* by itself is 'sign-less' aside from the names of each of its 12 stars that are prophetic and tell of the redemptive story of the coming of the Jewish Messiah, Jesus.

It is the heavenly bodies as in the planets that make it have a 'Sign' as the place and time become significant. In this case, September 23, 2017, just after Rosh HaShanah that the alignments appear to depict the motifs spoken and described by the Apostle John as he is being shown the *Great Sign* in Heaven. Thus, likewise, the *Red Dragon* that occurs before the 'rapture' of the *ManChild* also has to have its celestial bodies come into play. Other terms associated with the matrix are *United States*, *The Warning*, *Comet*, *Star*, *Judgment*, *The Virgin* and *MOSSAD* as in a foundation or 'Rod of Judgment', etc. This study highly suggests that the 7-headed *Red Dragon* will be the 7-planet *Nemesis* 2nd Sun star system. If it is to be made visible in some way for all to see on Earth without a doubt on late September of 2017, that remains to be seen but the *Destroyer* is coming according to the *Bible Codes*.
