

A message to our Guests,

Effective: March 15, 2020

You are at the heart of all we do and we appreciate the opportunity to serve you, especially during these uncertain times. Modica's has predictably seen a slowdown in business. While this is an ever-evolving situation, we wanted to update you with our current plans and procedures.

We are actively monitoring all recommendations from local health officials and the CDC. Our cleaning procedures to help limit the spread of Covid-19 include:

- Staff wear gloves to prepare & serve.
- After every use menus/pens are wiped down.
- Commercial sanitizer is used on tables after each use.
- A 3-step washing & sanitizing system is used for dishes, glasses & silverware.
- Floors & walls are bleached every Sunday.

Additionally, we are working to keep our staff healthy. Our valued employees have paid sick leave and will stay home if they are sick.

As of right now, Modica's will remain open!

To safely serve our customers who are comfortable coming out, our patio allows for recommended social distancing.

If you are not comfortable or are advised not to venture out to eat, our **full menu** is available for pick-up or consider using one of the following delivery options:

Introducing: **Modica's Curbside Pick-Up!**

Inside Counter Pick-Up

Modica's delivers to downtown Long Beach (*free with \$15 min.*) Now offering **Leave-at-My-Door**

Postmates / Doordash

We love being a part of the community and we will weather this storm with you. We are grateful for the opportunity to serve you all. Based on government recommendations and directives and/or business volume we may need to temporarily close.

Please know that if this happens, Modica's will be back!

Thank you for being a valued part of our community. We are ALL in this together!

Orsa Modica
