Wages

1. The hourly rate for journeymen working on all jobs in the jurisdictional area of the Union as set forth in Article III, Section 1, shall be as follows:

Effective: July 1, 2014, refer to the front of this page for rate, all of which will be paid at double time for overtime work.

In addition to the above stipulated wages, there shall be contributions to the Cement Masons' Local 780 Trust Fund, Pension Fund, Apprenticeship Fund, Vacation, Industry Advancement Funds, New York Plan for the Construction Industry, Building Trades Employers Association Promotional Fund, and 780 Labor Management Trust Cooperation for each Cement Mason and Apprentice as follows:

Effective July 1, 2014, refer to the front of this page for rate. All fringes to be paid at double time on overtime work.

Payments covering contributions to the Cement Masons' Local 780 Trust Fund, Annuity Fund, Apprenticeship Fund, Vacation Fund, Industry Advancement Fund, Union Dues Check-Off, New York Plan for the Construction Industry, Building Trades Employers Association Promotional Fund, and 780 Labor Management Trust Cooperation Fund shall be made weekly. The Trusts of these Funds may, within their discretion, require employees to submit with their contributions properly executed forms giving, for each Cement Mason and Apprentice Employee, his name, social security number, straight hours paid. Checks covering combined contributions to these Funds shall be made payable to the **"Cement Masons' Local 780 Fringe Benefit Funds"**.

The Trust Fund shall provide insurance coverage to qualify the Fund with an approved plan of insurance to conform with the New York State Disability Insurance Law.

These Trust, Pension, Vacation, Annuity, Apprenticeship, IAP, NYPCI, BTEAPF, and 780 LMTC Funds (or any other fund which might be established under this Agreement) shall be jointly managed by employer and employee representatives in accordance with the law and with the Articles of Agreement and Trust which established them. These funds are for the purpose of providing social insurance to the members of the Union and those who regularly work at the trade of Cement Masonry for contributing employees in the territorial jurisdiction of the Union and for their families. The Trustees of these funds shall have the power to provide similar coverages without covering contributions for employees of the Union and for the employees of the Trust Fund and Pension Fund or any other affiliated funds which might be established.

The Trustees of the Trust, Pension, Vacation, Apprenticeship, Annuity and IAP Funds (or any other fund which might be established under this Agreement) in the exercise of their decision, may require any Employer of employees covered by this Agreement to provide a surety bond to guarantee payment of all fringe benefits to the respective funds. The amount of this surety bond shall not be more than \$20,000.00 on Employers of 10 Masons or less, and not more than \$40,000.00 for Employers of more than 10 Masons, with the exception that in very unusual circumstances of extremely large employment, the amount of the surety bond may be increased to not more than the \$40,000.00.

The Trustees shall also have the right to audit the payroll and other pertinent employment records of any employer of Cement Masons within the jurisdictional area of the Union.

Whenever an employer is in default on payments of the Welfare, Pension, Vacation, Apprenticeship, Annuity, IAP, NYPCI, BTEAPF, and 780 LMTC Funds and reasonable notice of such default is given to the employer, if the payments are not made the Union may remove employees covered by this agreement from the work of such employer. If such men who are removed remain at the job site during regular working hours, they shall be paid for lost time not to exceed three day's pay.
