

Update #3
April 10th, 2020

Hello Eagle Community,

We hope everyone is staying healthy and are sheltering in place.

We are so proud of our scholars who have been diligent about logging into Google Classroom and completing assignments, showing up for live class meetings, and reaching out to their educators when they are struggling with a particular assignment.

Below are some updates.

School Closure

School closure has been extended through April 29th. We are currently slated to go back April 30th.

Spring Break

Remote Learning will continue through the Spring Break as per Executive Order from Governor Cuomo. We encourage you to check in with your scholars to ensure all assignments are being completed.

Regents Exams

The State has cancelled June 2020 Regents exams. In short, students who planned to take Regents exams in June 2020 will be **exempt** from these exams **as long as they pass the course by completing coursework through Google Classroom.**

Virtual Parent Town Hall With Mr. Meade

On Monday, April 13th at 6pm, Mr. Meade will hold a virtual Town Hall with all parents. Please check our website eagleacademybk.org on Monday afternoon for the link to join the meeting.

City-Issued iPads

About half of the DOE iPads are still in the process of being delivered. If you have not received your iPad or any correspondence about delivery, be sure you have completed the Terms of Use Agreement at <https://coronavirus.schools.nyc/acceptagreements>

If you are having trouble connecting your iPad, double check that the iPad is connected to the internet. All DOE iPads should come internet ready. If, however, for some reason the iPad is not connecting to the internet, try this:

- 1- Go to the Settings app.
- 2- Select Cellular.
- 3- Turn on Cellular Data.
- 4- Tap Cellular Data Options.
- 5- Verify that LTE and data roaming are turned on.

If you are still having trouble connecting to the internet, call AppleCare Support for the NYCDOE at 1-800-919-2775. When prompted, enter the PIN: 692363 (NYCDOE).

In addition to standard iOS apps (Calendar, Clock, Photos, etc.) all DOE iPads should come with the following apps:

Adobe Acrobat

Axis 360

Chrome

Cisco Security

CrowdStrike

Flipgrid

Freegal Music

Google apps: Classroom, Docs, Drive, Gmail, Hangouts, Sheets, Slides, Translate

Microsoft apps: Excel, OneDrive, OneNote, PowerPoint, Teams, Word

OverDrive

Queens Library

RBDigital

SimplyE

For security reasons, students cannot download apps to their iPads. You should have all of the above apps already installed, however, so if one of the above applications is missing, students should call the DOE Service Desk at 718-935-5100.

Scholars are being held accountable for completing their coursework and proactively reaching out to educators when experiencing difficulties. Attendance is based on weekly completion of assignments. **If a scholar is not interacting on Google Classroom by turning in assignments and communicating with educators, he will be marked absent.**

We want to remind everyone to please practice social distancing, and call a doctor if you have fever, shortness of breath, or any other symptoms of illness.

Be Well,

Rashad Meade
