

School Supplies Donated

The United Methodist Church of Plano collected school supplies for children in Kendall County. Many congregation members donated pencils, pens, markers, rulers, index cards, book bags, etc. These items were taken to Kendall County Community Food Pantry the last week in July in time for the distribution of school supplies through Kendall County Community Food Pantry. Joining forces to help those in need can only make communities stronger.

Pictured are members from the United Methodist Church of Plano, Clarence Holdiman and Gerri Henze (chairperson of the school supply project) with many of the items collected through the United Methodist Church of Plano.
