Over the past 10 years, Meals of Hope has taken its signature food packing events all over the country helping to bring more than 50 million meals to feed local communities. Holidays Without Hunger is our biggest, most exciting event of the year.

- Hunger is a silent epidemic affecting millions of people in the United States and tens of thousands in our community.
- More than 90,000 students in Lee and Collier counties rely on free and reduced school lunches.
- An increasing number of seniors struggle with food insecurity.
- Meals of Hope packs five different meals, all of which are fortified with protein and 21 vitamins and minerals.
- Each bag provides at least six meals and costs only about 25 cents per meal.
- More than 120 partner agencies in Southwest Florida distribute Meals of Hope meals to people in need.

Due to overwhelming response each year we turn away volunteers eager to help make our Holidays Without Hunger event a part of their annual celebrations. We need financial support from people like you to make this all possible.

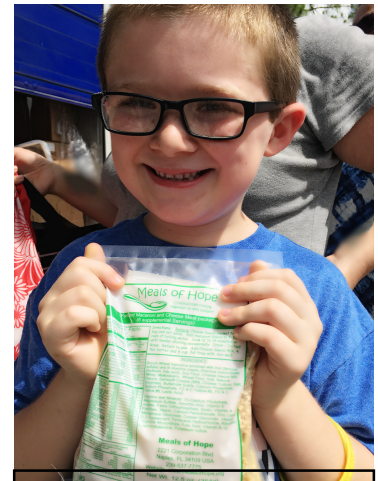

Please consider sponsoring a packing team to make this year's events the best yet and help us reach our 1 million goal.

Sincerely,

Stephen Popper
