## WORK EXPERIENCE

---

### Director of Production

**One Voice Communications Inc.** - Austin, TX  
May 2017 to Present

- Facilitating pre and post production scheduling to keep team on task and to meet deadlines.
  - Creating shot lists to help maintain a vision throughout the entire project.
  - Creating and editing broadcast commercials and corporate content using Adobe Creative Suite.
  - Editing content for use across various media including broadcast, internet, and website content.
  - Researching and tracking motion graphic trends to create engaging content.
  - Color grading all shots for consistency and adherence to each corporate's brand.
  - Created and maintains a shared server for use in the office. This includes maintaining the archive of all projects.
  - Acting as onsite IT technician - in charge of both hardware and software troubleshooting and upgrades.
  - Researches and compiles data to create recommendations for equipment and software upgrades for the company.
  - Learning and using a drone to get distinctive and unique shots.
  - Women in Media finalist for Nyle Maxwell YMCA Charity spot.
- 

### Digital Media Specialist

**Builder Homesite Inc.** - Austin, TX  
2005 to Present

- Facilitate post-production of New Home Source TV on local television.
  - Reworking video segments for use at national builder expos.
  - Create engaging segments for broadcast and digital media.
  - Produce graphic content for social media.
  - Working with the latest technologies to capture home exteriors and interiors including drone footage and Matterport cameras.
  - Able to produce quality segments with little to no direction, with limited resources, and on a tight deadline.
- 

### Video Editor

**Wilson Brown Productions** - Austin, TX  
November 2004 to 2008

- Edited, color graded, and created motion graphics content for Pedernales Electric Cooperative.
  - Worked as Editorial Assistant for Time Warner broadcast commercials.
  - Editorial support on various projects.
- 

## **Video Editor**

**Hispanic Telecommunications Network (HTN)** - San Antonio, TX

April 2004 to November 2004

- Edited weekly television series, "Nuestra Familia" for national PBS broadcast.
  - Produced documentary stories for "Nuestra Familia."
  - Coordinated outside events, such as award shows.
  - Provided technical support for Media100i systems.
- 

## **Video Editor**

**KEYE CBS Channel 42 Austin** - Austin, TX

2002 to 2004

- Edited daily stories under strict deadlines.
  - Collaborated with producers to ensure elements were properly timed out.
  - Recorded live-feeds and downloaded news-feed stories from server.
  - Performed other duties as assigned by newsroom manager
- 

## **Assistant Editor / Editor**

**Power and Light Studios** - Austin, TX

September 2000 to November 2002

- Managed graphics support for sessions, provided editorial and creative services.
  - Managed machine room technical support.
  - Edited with clients and assisted in edit sessions.
  - Worked with clients to produce quality commercials in a non-linear environment.
  - Acted as liaison between client and television stations for airing materials.
  - Managed shipping needs and confirmations.
  - Responsible for scheduling clients and bidding for projects.
  - Handled customers' needs.
- 

## **EDUCATION**
