

February 2018

Annual General (Business) Meeting

Our A.G.M. will be held on Saturday, March 24th, 2018, 7:30 PM, at Hillcrest Evangelical Church (use the gym entrance). This Annual Business Meeting will include the election of officers as well as reports on the 2017 year activities, 2017 financial statements, and plans for 2018. We especially encourage members to attend as your interest and vote are important to the wellbeing of our society. We also welcome everyone with an interest in our work, whether a current member or not. All director positions are open for re-election. Nominations to the Board of Directors will be accepted until March 10th. All nominees to the Board of Directors must be members in good standing. Please speak to President James Smith (403-866-8757) to nominate someone or if you have any questions about the process.

There will be a dinner served at 6:30 PM. The cost is \$20 per person, with tickets available until capacity is reached or March 22nd. More information will be available at the plant or via the contact information at the end of this page. It is not necessary to attend the dinner to be part of the meeting. Mark your calendars – we hope to see you there!

Where does it all Go?

Our small and mighty army of volunteers work all year long, five days per week, at preparing the dried vegetable mix. It seems like a never-ending supply of a wide variety of vegetables coming through our processing plant. One of the first questions that is asked of anyone joining us for the first time is "where will this all go"? The truth is we don't know as we start each new year. There are some international aid organizations we have partnered with for several years and there are some requests from others for a first time. We trust God always to be our Guide.

Some places we shipped to last year:
Burundi, Nicaragua, Philippines, Haiti,
Niger, and the Canadian Arctic.
