Food is served and Demos begin at 515pm

Meeting begins at 6pm

Club dog show is Sat., June 30th, set up will be Fri, June 29th @ 7pm. Community service contact is Brian for those kids that need to complete for their project.

Went over the dog show rules and will announce them at the beginning of the show. Volunteers were scheduled to help at the show

Jennifer will schedule the corn farm field trips for August and the Fall

We have a dad that is willing to drive his Army truck in the Larimer County Fair Parade, we need to know by the July 16th meeting, who will be participating in the July 28th parade.

Vet Science kids gave a short talk about animal welfare, housing and care to complete their project manual

Fair entries are DUE at the July meeting

4-H Night at the Rodeo will be Mon., Aug 7th @ 7pm. Forms can be found at the back of the July Clover Connection.

We discussed and approved the bylaw changes for the coming year – we have decided that in order to receive the club special awards at the end of the year banquet in November, you must:

1. Be an active member and attend 75% of club meetings
2. Sell your carnival tickets and work your carnival shift
3. Complete at least one 4-H project/record book
4. Complete your club community service
5. Present a demonstration at a club meeting

Two Vet Science field trips have been scheduled for Tues, June 26th at Front Range and Thurs., June 28th at the Necropsy Lab. Vet Science kids will also meet July 10th for a final meeting to complete their record books

Interested Dog Kids – we plan on doing dog drill team for the county fair and doggie Olympics – please purchase your tshirt at Old Navy – picture on the facebook page

Meeting adjourned at 730pm
