To: PPCA Membership and Board Members

Aloha All,

The board is doing good. I'm so happy that the pool and park will be opening as soon as this Covid-19 slows down and allows it to be safe for our community. We can then begin all the events that we have planned, and the classes can continue on like they did before. The budget is looking good. All the board members are "FOR" the community.

I only want the best for our Pacific Palisades Community. I've been in Palisades for almost 50 years. I will still be available to help if needed. However, I am resigning as President of the PPCA and board member due to personal reasons as I am totally busy with my mo'opuna.

Thank you for allowing me to be a part of the Board.

Aloha and Mahalo,

Lei Naumu Cabral
