Ready for fall

by Hana Rosen-Westhafer

Summer has come and gone faster than we thought! Our participants enjoyed harvesting fruits, vegetables and flowers, swimming in the pool, and working on projects around the property. So much was accomplished in a short amount of time. This summer, RTF participants dug and built a fire pit, built new fencing for an extra pasture, and tended to the animals, gardens, and property.

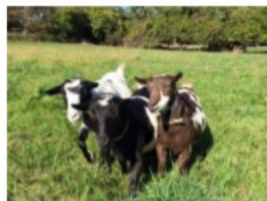

Now that the fire pit is complete, participants enjoy roasting marshmallows to make s'mores around the cozy fire. They are also helping get the farm ready for winter, which is fast approaching, by checking windows and doors in the barn, checking pasture run-ins, and

researching winter animal care.

Our farm house renovation is complete and we are looking forward to opening our bed and breakfast to expand learning opportunities for farm participants. Running an Inn takes a lot of work. Our participants will have the opportunity to learn about hospitality, housekeeping, laundry, food preparation, and retail.

Happy Fall from RTF!

RTF is hosting a **Halloween Party** on **Saturday, October 31** from **6pm-8pm**. Please join us for treats and fun! Costumes encouraged.
