

NEW Golden Eagle MARK VI

Quick take-down bow with lightweight aluminum-magnesium handle section with laminated wood and fiberglass limbs, this new Golden Eagle will be available about January 1, 1973. Shown in artist's conception, this concept in take-down bow, lets the archer put it together or take it apart quickly, easily with no tools.

The new MARK VI Golden Eagle will be available in popular limb lengths and draw weights. See the new MARK VI at your dealer for under \$110.00.

GOLDEN EAGLE ARCHERY CATALOG

Products available exclusively
through selected pro shops

The GOLDEN EAGLE

The incomparable Golden Eagle! First bow to shoot perfect scores in national competition. Copied by many, but unsurpassed in excellence of balance or shooting ability which we designed into this patented bow. The Golden Eagle expands to cover a wide range of duties. The Standard Golden Eagle is available in four lengths: 70", 68", 66" and 64" – from 25 to 40 lbs.

Precision engineering, metal-to-metal contact, history of the finest bow ever designed for tournament archery. New handles, new sight options, and new colors. All built as custom bows that adapt to you and your skill, shooting for better scores.

The Golden Eagle is now available in Gold, Blue, or Black. Please specify color when ordering.

Personalize Your GOLDEN EAGLE

If you are considering joining the perfect 300 club by purchasing a Golden Eagle, you have a wide selection. Special combinations may be achieved through separate selection of handles and limbs. This chart below will aid you in that selection.

Special Bows from GOLDEN EAGLE

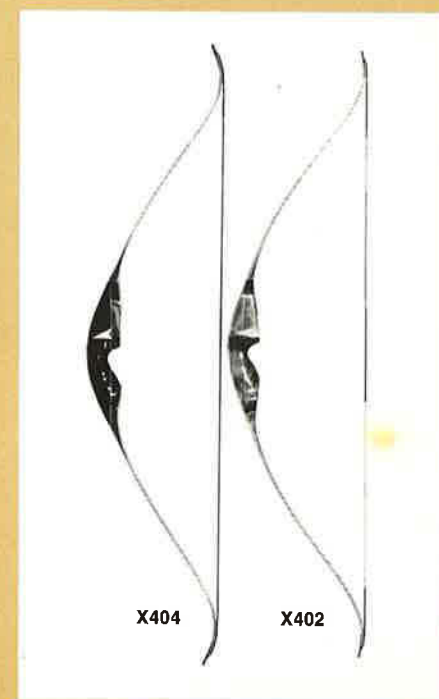

X404 – The OSPREY

bow was designed in a just-right 54" length for speed and accuracy. Features of the Osprey include a hunting arrow rest, sculptured handle of high density plastic offset by imported hardwoods which taper to a contour fit grip. Limbs are of black non-glare fiberglass and feature tip overlays of laminated hardwoods. Also enclosed in the package is a dacron string. 54". Available in weights of 40, 45, 50 and 55 #. (X404) List price \$65.00.

X402 – The EAGLET

bow is the youngest of the Eagle family and is designed with a dual purpose. 1st – the EAGLET expands into heavy weights and becomes the best low cost bow ever designed for the bow hunter. Featuring Forest Green limbs of non-glare fiberglass laminated to an imported hardwood handle, the EAGLET hunter comes in weights of 40, 45, and 50#. 2nd – the EAGLET comes in weights of 20, 25, 30, and 35# which feature Ivory color fiberglass limbs laminated to an imported hardwood handle. These weights give your son or daughter one of the finest, most competitive bows ever designed for the young archer. This is a very good bow for use in Junior Olympic and School Programs. 52". (X402) List price \$35.00.

Note: Bow weights shown are carried in stock. Heavier draw weights may take a little longer.

LEATHER ACCESSORIES

Quality was responsible for the success of the Golden Eagle Bow. Now this same quality is available in fine leather accessories designed with the archer in mind.

L117 – DELUXE TOURNAMENT QUIVER: New, convenient design. Has accent stitching. This Pro model has it all – large pouch and cigarette pouch. Has pencil holder, card clip, adjustable straps, belt clip and large arrow divider. One per pack.

L117W – DELUXE TOURNAMENT QUIVER: Same as L117, only in white.

L110 – TOURNAMENT QUIVER: Pro model that has it all – large pouch, card clip, pencil holder, cigarette pouch, adjustable straps, belt clip and large arrow divider. Also available in left hand (LHL110). One per pack.

L110W – TOURNAMENT QUIVER: Same as L110, only in white.

L105 – SIDE QUIVER: Will hold 12 arrows and features harness, belt clip and formed base. All leather – a real value. One per pack.

L111 – HOLSTER TOURNAMENT QUIVER: Holds eight arrows and features separator loops, card clip, pencil holder and large pouch. Snaps on belt. One per pack.

L225 – NEW DELUXE VENTED ARMGUARD: Restyled with accent stitching. Has less surface area and yet protects arm as well as standard models. One per pack.

L225W – NEW DELUXE VENTED ARMGUARD: Same as L225, only in white.

L215 – VENTED ARMGUARD: Tournament styled for comfort. Gives excellent protection, yet is cool and attractive. Made of highest quality leather. One per pack.

L215W – VENTED ARMGUARD: Same as L215, but white.

L320 – PRO TAB: Featuring a snap-on replaceable face, this special tab will fit anyone. Adjustable single finger of elastic. Doesn't need breaking in and can be used for hunting over a glove. Comes with leather face. One per pack.

L325 – SHOOTING TAB: Excellent for hunting, beginners and schools. Double thickness on pad and single at finger. Specify size: LG, MED, SM. One per pack.

L350 – LEATHER TAB: Thin leather for precise feel of string, yet padded heavily enough to give protection. One per pack.

L200 – DOUBLE ARMGUARD: Excellent for hunting as well as beginning archers. Four straps assure snug fit. Wide steel band and top quality leather. One per pack.

L200W – DOUBLE ARMGUARD: Same as L200, but white.

L210 – WIDE ARMGUARD: Top grain leather with wide steel band plus three straps make this the ideal armguard for hunters and those who want more protection. One per pack.

L300 – PRO GLOVE: For the ultimate in shooting comfort. Has soft finger stalls with closed ends, expandable stretch band and adjustable wrist strap. Specify size: XL (10-11), LG (9-10), MED (8-9), SM (7-8). Available in left hand. One per pack.

L300W – PRO GLOVE: Same as L300, except in white and in ladies' sizes. Specify size: LG (8-8½), MED (6-7), SM (5-6). Available in left hand. One per pack.

L530 – CHEST PROTECTOR: Eliminates string catching on clothing. Special suede leather and vented design gives comfort in any weather. Fits right hand archer only. One per pack.

L530W – CHEST PROTECTOR: Same as L530, but white.

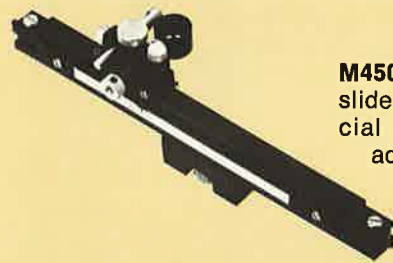

L400 – DELUXE TOURNAMENT BOW CASE: Fully padded and deluxe lined case with stabilizer pocket inside and accessory pocket outside. Fits bows to 70 inches. One per pack.

L545 – GOLDEN EAGLE BOW CASE: Short padded case that will hold any disassembled Golden Eagle bow for easy transportation. One per pack.

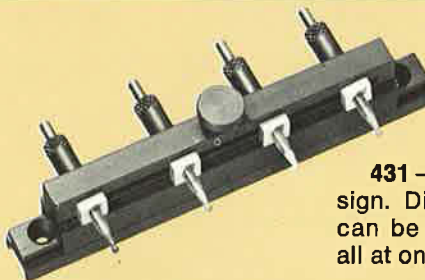

GOLDEN EAGLE ACCESSORIES

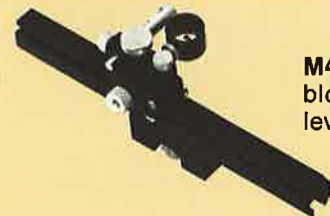

(Note: All items on this page are one per pack, except Posi-Nocks)

M450 - PRO SIGHT: Positive lock slide block adjustable level, special cant risors, micro windage adjustment.

431 - BOW SIGHT: 4-pin design. Different color pins which can be adjusted individually or all at once.

M400 - PRO SIGHT: Deluxe slide block unit, micro adjustment, and level.

M451 - SIGHT EXTENSION: 6" long adapts to M400 or M450.

M452 - SIGHT EXTENSION: 4" long adapts to M400 or M450.

M429 - PRO SIGHT: fully adjustable slide block and slide bar. Best low cost tournament sight on the market.

M417 - SLIDE BLOCK: Aluminum, positive locking for M400, M450. Has opening for M440 level.

M416 - MICRO ADJUSTMENT BLOCK: Fits Golden Eagle Sights, has micro windage adjustment.

M420C - DELUXE SLIDE BAR ASSEMBLY: Fits Golden Eagle Sights, has windage adjustment.

M427C - SITE BASE ASSEMBLY: Fits Golden Eagle Sights, (has windage adjustment).

M410C - SIGHT PIN & BARREL: Fits Golden Eagle Sights M400 and M429, micro windage adjustment.

M13 - OFFSET SIGHT BASE: for maximum windage adjustment.

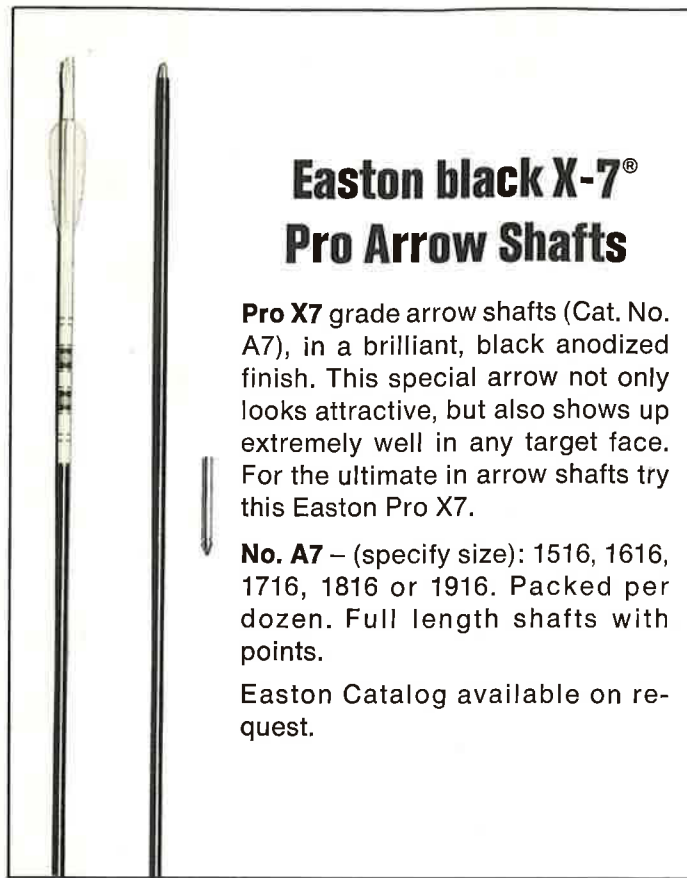

M87 - BOW SLING: Features an adhesive material that will allow it to stay securely attached to any finish. Allows positive hand placement on the bow without fear of losing the bow during the shot.

M19 - GOLDEN EAGLE TAPERED STABILIZER: Engineered for true stabilization to allow best arrow flight is the new Golden Eagle Tapered Stabilizer. Available in 30" and 24" lengths of black anodized Easton X7 tapered tube.

GOLDEN EAGLE POSI-NOCK - Nock is simply pinched on around the string. It will also keep peep sights and other alignment aids from turning when the string is drawn. **No. M112** for use with quarter-inch index nocks and quarter-inch Bjorn nocks; **No. M113** for use with quarter-inch Golden Eagle pro nocks or 9/32" Bjorn nocks. Three per pack.

Easton black X-7[®] Pro Arrow Shafts

Pro X7 grade arrow shafts (Cat. No. A7), in a brilliant, black anodized finish. This special arrow not only looks attractive, but also shows up extremely well in any target face. For the ultimate in arrow shafts try this Easton Pro X7.

No. A7 - (specify size): 1516, 1616, 1716, 1816 or 1916. Packed per dozen. Full length shafts with points.

Easton Catalog available on request.

M440 - PRO SIGHT LEVEL: Fits on M416 and M417 slide blocks. Packed 12 per card.

M14 - PRO HUNTING STABILIZER: 6" long. Allows perfect tuning and adjustment.

M455 - ADJUSTABLE CLICKER POSITIVE LOCKING: Mounts permanently to the bow. An absolute check for draw and back tension. A must for every serious archer. One per pack.

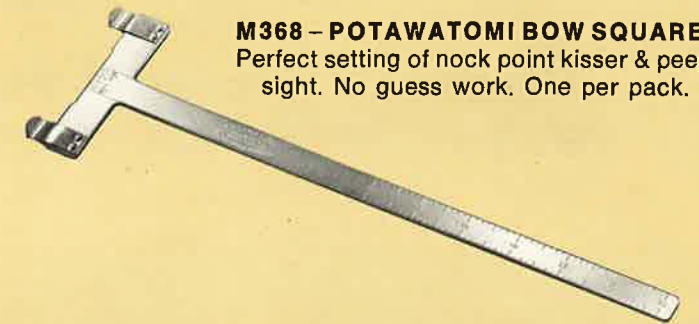

M380 - PEEP SIGHT: Positive string alignment for clear sight picture. 12 per card.

M380S - SLOTTED PEEP SIGHT: Positive string alignment. Elongated for longer outdoor distances. 12 per card.

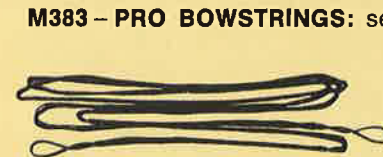

M434 - ADJUSTABLE LEVEL: fits any place on bow by pressure-sensitive tape. Can be adjusted after mounting. Eliminates accidental canting. Packed 12 per card.

M368 - POTAWATOMI BOW SQUARE: Perfect setting of nock point kisser & peep sight. No guess work. One per pack.

M17 - TORQUE CONVERTER: allows true arrow flight. Our pro staff member, Vic Leach spent a long time on this development. Couples with the M19 or any 1/4-20 bushing. One per pack.

M383 - PRO BOWSTRINGS: served with special monofilament designed for tournament archery. Black dacron. Specify bow length and size: 8 strand, 10 strand, 12 strand or 14 strand. One per pack.

M389 - PLASTINOCKS: Specify 1/4" or 9/32" available in fluorescent orange or white. 100 per pack.

M389C - PLASTINOCK CRYSTAL: Virtually eliminates arrow kiss outs. 100 per pack. Specify 1/4" or 9/32".

M388 - KISSER BUTTON: Positive string alignment. 12 per card.

M390 - ADJUSTABLE ARROW REST AND PLATE: ready to install in any bow. Complete windage adjustment and positive placement locking. One per pack.

M23 - PRO-FLEX REST: carded, arrow plates. Has access hole for cushion plunger. Each in box. 1 dozen per card.

M7 - Same as above, except without access hole.

M86 - HUNTER ADJUSTABLE REST: Positive placement locking. Complete windage adjustment. Ready to install in any bow. One per pack.

M302 - 1/4" INSERT: To mount in bow for use of stabilizer. One per pack.

L541 - 3" GOLDEN EAGLE PATCH: Gold stitching on rich, black cloth.

L542 - 8" GOLDEN EAGLE PATCH: Same as above, except for size.

This group of experienced, archery-wise personnel is constantly testing the Golden Eagle for new developments and improvements.

Who knows more about what should be expected of bows, arrows and related equipment than devoted archers? Who but such interested archers could be better qualified to initiate archery tackle developments, plan product improvements and consistently insist upon highest quality standards? That's why Golden Eagle's archery-wise personnel are constantly at work - in the field as well as in the

factory - developing, improving, changing...adding, discarding, adapting, experimenting...all in their continuing effort to provide other archers with better tackle. In a sense, Golden Eagle's archery people 'represent' the field of archery within the Company. This applies at the drawing board and workbench, as well as when bowstrings are drawn in private or public field work by skilled testers.
