

daisy

**daisy's rocking
(man, that's cold)
i hope i'm rocking
when i'm as old as**

**daisy
won't you sing me your song**

**you can call me lazy
call me a slob
you can call me anything
but don't call me early in the morning**

i've got the boardwalk blues

**daisy's rocking
(man, that's gold)
i hope i'm rocking
when i'm as old as**

**daisy
won't you sing me your song**
