Dear Sherry:

I cannot begin to thank you enough for all the time spent and trouble we may have caused you by working so unselfishly for our cause.

You were instrumental in helping us bring to light the deplorable conditions that exist at the Lindsay Animal Shelter and the degrading treatment of Tulare County's citizens by the Lindsay Police Department.

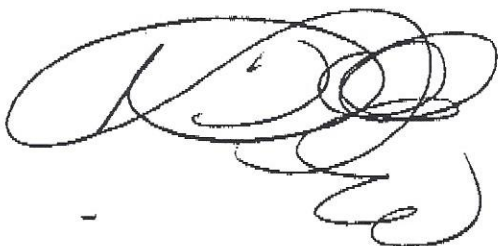

The County of Tulare, City of Lindsay and District Attorney Phil Cline all turned deaf ears to us when we went to each one with our pleadings and complaints. We finally stumbled on to your Website, dear Gladiator, and you steered us in the right direction. You told us that the system will work if the correct protocol is followed and I am seeing proof of that now.

This whole sordid mess has been going on for four + years now and it's about time it came to a grinding halt.

You have been a real blessing to us and the animals (and people) in this county have a chance of attaining proper treatment now.

You will still be around to help us, won't you? We've still got a ways to go and will continue to count on you, if that's OK.

Sincerely,
